

gather there and come and go! *Blaze* through the members of the cabinet, the offices and families! *Blaze* through the National Security Council, all Congressional committees and elected and appointed representatives in the executive, legislative, and judicial branches of government! *Blaze* the light of God that never fails!

Beloved Archangel Michael, beloved El Morya, we ask you to enter the White House now in preparation for all deliberations which are at hand. We welcome you, beloved El Morya, as the Chief of the Darjeeling Council of the Great White Brotherhood. We ask you to come forth now in the victory of the city.

Beloved El Morya, we give you the key to the city and the key to our hearts—the key to Washington, D.C., from the American people. We pray that many souls of Light may be tied to your heart by devotion to the will of God.

Beloved El Morya, teach us how to open the door for your own flame of God-mastery to awaken the hearts of this nation to the true freedom flame of Saint Germain. We welcome you, in the name of Alpha and Omega and in the name of Lanello.

Beloved El Morya, we ask you in God's name, *do something!*

Beloved El Morya, in the name I AM THAT I AM Sanat Kumara, by the authority of our own God flame and our position in physical embodiment and as chelas holding the mantle of the Guru Padma Sambhava, we command you, in the name of the Cosmic Christ, to enter now the hearts of all members of the government of the United States of America! Place your Electronic Presence there with my own—in the sons of God, and in those who are the betrayers.

I demand the will of God expand now from every living heart! I demand it be graced and intensified by the love of God and by the Cosmic Christ wisdom of Gautama Buddha.
