

I Claim the Mantles of those Recently Ascended...

“...I AM here and I AM there! I AM in heaven—and oh, the glories of heaven—and I AM on earth, here in the heart of my twin flame. And lo, I AM everywhere in the Consciousness of God. Oh, the newfound freedom of the ascended state! How I have looked forward to telling you that life begins not at forty, not at eighty, but when you ascend!”
- Beloved Lanello - August 5, 1973

Leader;

Pictured above, you see Elisha receiving the mantle of his Guru Elijah who had told him, ‘If you see me when I am taken up, you will receive that double portion of my Spirit...’ It is customary when one’s Guru ascends to claim the mantle of the ascended one in God’s name in the tradition of Elijah and Elisha. The mantle of the consciousness of the Guru is a momentum. It is symbolized in the robe of Christ. The passing of the mantle is the passing of the momentums of attainment.

The name of an Ascended Master is the key to his Causal Body. Chanting the Names of God with deep devotion are a powerful empowerment. When the Name of any Ascended Master is spoken into the atmosphere of Earth, a Flame of the Sacred Fire moves into action carried on the vibratory action of that Name when it is spoken.

Let us utilize these spiritual principles, as we claim the mantles of those recently ascended..
