

7.24A - Sealing of U.S. Borders - Visualization by Mother for the Sealing of U.S. Borders

“And so we ask you to visualize, as you’re giving this decree, those areas of our coast or our border which you are familiar with. Visualize them with sheets of blue lightning coming down and magnificent blue lightning angels standing with swords drawn to defend America. If you know the entire coast and border, visualize the entire circumference of this country in all of its aspects. See the map before you, but make it vivid. Hear the rolling of the sea and the wind in the trees and realize that this America is blessed by the focus of your heart flame this night, invoking the presence of these blue lightning angels.” – **ECP** 11-3-66 (Can give with decree 7.24)

MAKE THE CALL.....

Beloved Archangel Michael, legions of light, seven mighty archangels, I call for the sealing of the base of the City Foursquare, the sealing of America. I demand the action of the LORD God Almighty in this hour for the victory of the securing of the southern border of the United States of America, of enforcing our existing immigration laws and of stopping the flow of illegal immigrants. I demand that the president of the United States of America and all officials and representatives of this nation uphold Article IV of the Constitution that guarantees that every state shall be protected by the federal government against invasion.

I summon the Darjeeling Council, beloved El Morya, beloved Kuan Yin and beloved Lords of Karma to increase the light of the sacred fire in America and

Mexico for the sealing of our borders. Protect the rights of Arizona, the states and cities of this nation to enact legislation to protect their citizens, economies and uphold the immigration laws of the United States. Bind all wedges of divide and conquer between the federal and state governments. I demand the arresting of this war against America and the conspiracy and malintent and buildup of drug cartels, smuggling rings and terrorist camps in Mexico, as a base for the destruction of this nation of the reincarnated tribe of Joseph. Expose and bring to justice all corrupt officials on both sides of the border.

Mighty Blue Eagle from Sirius, Hercules and El Morya, blue-lightning angels, establish a mighty cordon of light twelve miles from the coast of America and around our borders. Let it extend an additional twelve miles into the landed area for the absolute sealing and God-protection by the power of the LORD's hosts from all encroachments, drug and human traffickers, terrorists, paramilitary forces, drug cartels and spy activities.

Beloved Mighty I AM Presence, we call to you with the fervor of our hearts, for and on behalf of all American people and all Lightbearers everywhere who are not awake, who ought to be awake and we ask this be done now according to God's holy will!
