Breaking the 'Good Friday Spell'

---

“Is it not written that they (the Apostles) *all* fled—all of them?” [Matt. 26:56; Mark 14:50]

“...understand [beloved ones, that] the “Good Friday spell” is indeed a spell of black magic. And this is why [the apostles] could not hold open their eyes in the hour of prayer, nor could they resist Satan placing, therefore, his poison in the heart of Judas. Nor could they resist the entire circle of energy. Therefore, [this spell] acted as a repellent, the black magic of their concerted auras, and [the apostles] all fled. And He [Jesus] alone stood with perfect understanding and compassion that He had come to stand with them against the wiles of the fallen ones, and they, too, must also learn to do the same.”

### **Section 3 ∞ DECREE 10.21: THE MIGHTY CIRCLE OF VICTORY**

I AM the Spirit of Mighty Victory incarnate! (3x)

In the name I AM THAT I AM ELOHIM Saint Germain, Portia, Guru Ma, Lanello  
 Padma Sambhava, Kuan Yin and the Five Dhyani Buddhas

In the name I AM THAT I AM SANAT KUMARA Gautama Buddha, Lord Maitreya, Jesus Christ  
 OM VAIROCHANA • AKSHOBHYA • RATNASAMBHAVA AMITABHA • AMOGHASIDDHI • VAJRASATTVA OM

O beloved MIGHTY COSMIC BEING VICTORY, Your Blessed Twelve and All Who Came With You  
 From Venus, by the authority of my THREEFOLD FLAME, we, as the body of God upon terra, command  
 you to roll back all curses, spells, incantations, hexes, and matrices of darkness; and break, once and for  
 all, the planetary spell of Good Friday, the deadly spell of black magic disrupting the unity and oneness of  
 the Lightbearers of planet earth.

We call forth the Mighty Star of Victory for the anchoring in the Earth of the cosmic virtues of God for the  
 overturning of the perversions of the God Flame on Terra. We pray each and every child of God's heart  
 might be engrafted to the Living Word, so we will not again flee or disperse, but will hold our line on the  
 cosmic clock in the mandala of oneness for the victory of the Great Golden Age on Terra.

Come forth, Limitless Legions of Cosmic Victory! We join our hearts with your invincible flame of Victory;  
 and thus, the fallen angels have no power to defeat us, to defeat our oneness with our Holy Christ Selves  
 and our oneness with the Legions of God without number who come to reinforce His glory in us this day!

This is the hour of victory! We summon it and accept nothing less! And, thus, we affirm with Lanello:

Behold, I AM everywhere in the consciousness of God!

Behold, with Jesus, I AM alive forevermore! Death and Hell have not touched me at all, for I AM the God-victorious one, as Above so below!

My I AM Presence with me is the power of attainment that overcomes every foe of the Christ on earth. I take my stand on earth and I make myself the instrument of flood tides of Light, of victory in Christ!

I AM the victorious sense of Mighty Victory!

I AM the victorious sense of Mighty Victory!

I AM the flame of Victory in action!

I AM the flame of Love unto the last.

I AM with Christ in the beginning and in the ending.

Lo, I AM where I AM in my very heart—Alpha and Omega—I AM the bearer of the Body and Blood of Christ.

I AM truly the burden-bearer of the LORD. I bear his Light and his Light swallows up the burden of earth as world karma.

I stand and I still stand! For I AM THAT I AM, and I know it! I AM it! I feel it! I think it! I work it in action physically in me.

*Lo, I AM the Victory of the Light where I AM, here and now!*

*Victory! Victory! Victory!*

By the power of Brahma, Vishnu, and Shiva, I AM Victory in the earth, and I AM pressing that Victory into the very earth beneath my feet, beneath that soil and under the earth—all the way to the very white fire core!

I AM the Victory in the earth.

I AM the Victory in the air.

I AM the Victory in the water and in the fire.

I AM Victory!

I AM the Victory of the Light of the Resurrection Flame!

I AM Victory all the way!

I AM the Victory of this job!

I AM the Victory of this work of my hands!

I AM the Victory of the Mind of God in me to figure out the Way and make it plain for others.

I AM the Victory, by the Mind of God, in all that I must do this day to bring God's kingdom on earth as it is in heaven.

And the I AM in me is the Victory!

My Mighty I AM Presence is the Victory!

Mighty Victory in me is the Victory!

Mighty Victory is where I am. I cannot fail, for God is with me now.

I AM Victory! I AM Victory! I AM Victory!

And I roll back defeat! I roll back failure! I roll back Death and Hell!

And the mighty circle of Victory on planet earth shall begin in the dot in the center of our circle, and it shall press out from the very heart of the One who has sent the Messenger, from the very hearts of those who are sent by the Messenger.

And the circle will widen, and it will widen its borders through the hundred and forty-four disciples that one day become the hundred and forty and four thousand.

And therefore the circle of Victory shall be wider and wider and wider until it shall take in the whole earth and naught shall be left except the flaming presence of Victory!

I AM the center of that Victory. I stand in the center of Christ, and Christ in me is the center of my Victory and I AM one and we are whole. I abide in him and he in me.

I AM Victory, I AM Victory, I AM Victory! I AM the Victory of the Resurrection and I AM the fullness of its power here and now.

Behold! I AM Everywhere in the Consciousness of God!  
So be it! Amen.

#### **Section 4—HYMN 685: AMERICA THE BEAUTIFUL**

O beautiful for spacious skies  
For amber waves of grain  
For purple mountain majesties  
Above the fruited plain.  
America! America!  
God shed his grace on thee  
And crown thy good with *brotherhood*  
From sea to shining sea.

O beautiful for pilgrim feet  
Whose stern, impassioned stress  
A thoroughfare for freedom beat  
Across the wilderness.  
America! America!  
God mend thine every flaw  
Confirm thy soul in Self-control  
Thy liberty in law.

O beautiful for heroes proved  
In liberating strife  
Who more than self their country loved  
And mercy more than life.  
America! America!  
May God thy gold refine  
'Til all success be nobleness  
And every gain divine.

O beautiful for patriot dream  
That sees, beyond the years  
Thine alabaster cities gleam  
Undimmed by human tears.  
America! America!  
God shed his grace on thee  
And crown thy good with *brotherhood*  
From sea to shining sea.

## Section 5—DECREE 20.15: DECREE FOR BROTHERHOOD

In the name of the beloved mighty victorious Presence of God, I AM in me, Holy Christ Selves of all earth's evolutions, beloved Jesus the Christ and Kuthumi, the Mighty Cosmic Being Victory, the Spirit of the Resurrection from out the Great Central Sun, beloved Archangel Gabriel and Uriel, the angels of the Resurrection Temple, beloved Guru Ma and Lanello, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life—fire, air, water, and earth! I decree:

INSERT:

O Spirit of the Resurrection, consecrate their lives anew! O Spirit of the Resurrection, make them many, not few! O Spirit of the Resurrection, love them free! O Spirit of the Resurrection, expand, expand in thee! O Spirit of the Resurrection, convey into the world of form: The beauty of holiness, the love of God, the power of *Brotherhood*, and the sustainment of the torch of Freedom, uniting the Christ natures of all everywhere that the garlands of the Spiritual Principle of Brotherhood will be cherished by all nations, by all people, and actively honored by men of every organized religion.

I AM the golden victorious Light, the full-orbed flame of Illumination from the heart of God that sweeps all continents, awakening peoples of every walk of life from the lethargy and sleep of the ages to a vital, breathing awareness of the wisdom that transcends dogma, sense consciousness, and personality functions, threading the eye of the needle with the thread of light determination whose sewings upon the garments of the Lord of Creation produce elevation, consummation, radiation, purification, and freedom for every man, woman, and child upon this planet.

I AM, I AM, I AM intensifying pure love, unselfish love, wisdom and power, and the action of the rainbow rays and the secret rays in concentric spheres surrounding the Community of lightbearers on earth and the Community of the Holy Spirit until the heart of man becomes the heart of God in the earth for the bringing forth, sustaining and expanding on earth world *brotherhood*.

Out of the One,  
Thou, God, hast spun  
All of the races of men.  
By thy great Law  
Do thou now draw  
All to their God Source again.

Take away hate;  
By love abate  
All mankind's vicious intent.  
Show thy great pow'r  
Every hour  
Of love and compassion God sent.

I AM, I AM, I AM  
Divine love sending forth  
The wonderful feeling of true divine Healing,  
Unguents of Light now sealing  
All of the schisms of men.

Stop all division!  
By God-precision  
Love is the hallowed law-key.

Ultimate peace,  
 Make all war cease,  
 Let the children of men now go free!

Stop mankind's friction,  
 All their predictions  
 Tearing bless'd heart from heart.  
 By God-direction  
 Produce now perfection  
 In thy great family—one heart. (3x)

I claim this earth as the LORD's and the fullness thereof... I AM the awareness of the all-oneness of the body of God, as above, so below. And I declare that I AM the multiplication of the body of God upon earth! And proclaim for all time, we are one!

According to God's Holy Will, we ask that this be done right now with full power, eternally sustained, all powerfully active, ever expanding and world enfolding, until all are wholly ascended in the light and free.

Beloved I AM, Beloved I AM, Beloved I AM.

## **Section 6—TEACHING: APOSTLES ALL—Your Place in Apostolic Succession**

### *The Apostles on the Cosmic Clock*

The twelve apostles came forth to represent twelve cosmic hierarchies around the central sun who was Christ Jesus.

So for our ritual, you can select the line of the cosmic clock on which you have, in your own heart's deliberation with your I AM Presence, the greatest momentum of diligence and service, faithfulness and constancy and a fortitude beyond all temptation to stray to the right or to the left.

You should also consider the mission of the apostle who stood on that line during the time Jesus embodiment. It does not matter whether or not the apostle on your line ascended, because it is an office in hierarchy, and it is the momentum of the Causal Body and mantle of the God Flame of that apostle that comes upon you. Once you understand that you are fulfilling the line of apostolic succession, then you need to call, in the name of Jesus Christ, to God Almighty to give you the mantle of that apostle. Your calling is to fulfill the office of that apostle where that apostle has failed and to fulfill the office where the apostle has succeeded.

Figure 11 The God Consciousness, or God-Qualities, of Lines of the Clock

**TWELVE O’CLOCK LINE [Capricorn] - Andrew**, the brother of Simon Peter and the first disciple called to this mission and he responded. Andrew was present when Jesus was baptized, and receive the etheric blueprint of his mission.

**ONE O’CLOCK LINE [Aquarius] - Philip of Bethsaida**, the true Lightbearers of Aquarius, should as Philip recorded in his Gnostic Gospel, be the devotee of Christ who no longer calls himself a Christian “but a Christ”: “You saw the Spirit, you became Spirit. You saw Christ, you became Christ. You saw [the Father, you] shall become Father. So [in this place] you see everything and [do] not [see] yourself, but [in that place] you do see yourself—and what you see you shall [become]”

**TWO O’CLOCK LINE [Pisces] – Thomas**, was cautious and questioning, doubting the reality of his Lord. The line of Pisces presents the opportunity to overcome doubt and fear. Having this goal, you can strive to not take so seriously your doubts and fears but to see them as testing and temptation; as an opportunity for overcoming, that you might better see and know the Christ.

**THREE O’CLOCK LINE [Aries] - Simon Peter**, although he was the foundation of the Church, he had an impetuous nature, which reflects a certain amount of pride of the ego. Impetuosity is a trait that we on the Path would do well to guard against.

**FOUR O’CLOCK LINE [Taurus] - Bartholomew** also known as Nathanael...

**FIVE O’CLOCK LINE [Gemini] – Matthew**, the illumination flame of the hierarchy of Gemini flows through his gospel.

**SIX O’CLOCK LINE [Cancer] - James the Greater**, who had a great deal to do with the building of the Church. James later embodied as Clara Louise Kieninger, the first Mother of the Flame. She ascended on October 25, 1970, her soul being embodied in a feminine form in the victory of the six o’clock line of the Divine Mother.

**SEVEN O’CLOCK LINE [Leo] - Jude**, also known as Lebbaeus or Judas Thaddaeus. The Causal Body of Jude holds the pattern of God-gratitude that overcomes hardness of heart and ingratitude in the world.

EIGHT O’CLOCK LINE [Virgo] - **James the Less**, the first bishop of Jerusalem. James was esteemed for his purity and his self-mortification—he allowed his outer self to die and the Christ Self to manifest. He was call “the Just”.

NINE O’CLOCK LINE [Libra] - **John the Beloved**, the disciple with the greatest love and by love he conquered all with Christ. You can call to his Causal Body to help you focus that flame of victory and the love that dissipates all the maya and illusion of the world. He was the only one of the twelve who ascended, and it was because John was the victor on that line, Christianity survived.

TEN O’CLOCK LINE [Scorpio] - **Judas Iscariot** [succeeded by Matthais after his betrayal and suicide]. He showed us the great pitfall of failing the test of the ten, the temptation to forsake the cause for human comfort, human pleasure, human concern, selfishness and self-love. He had such remorse that propelled him into a life of total devotion in his next embodiment, and he did win his ascension in that life.

ELEVEN O’CLOCK LINE [Sagittarius] - **Simon the Canaanite or Zelotes...**

## Section 6— HYMN 118: THE HOLY CITY

Last night I lay asleeping  
 There came a dream so fair  
 I stood in old Jerusalem  
 Beside the temple there  
 I heard the children singing  
 And ever as they sang  
 Methought the voice of angels  
 From heav'n in answer rang  
 Methought the voice of angels  
 From heav'n in answer rang

Jerusalem, Jerusalem  
 Lift up your gates and sing  
 Hosanna in the highest  
 Hosanna to your King!

Interlude—3 measures, 3-1 /2 beats, 4/4 time

And then methought my dream was changed  
 The streets no longer rang  
 Hushed were the glad hosannas  
 The little children sang  
 The sun grew dark with mystery  
 The morn was cold and chill  
 As the shadow of a cross arose  
 Upon a lonely hill  
 As the shadow of a cross arose  
 Upon a lonely hill.  
 Jerusalem, Jerusalem

Hark how the angels sing  
Hosanna in the highest  
Hosanna to your King!

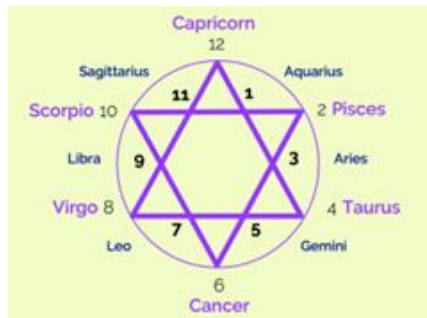

Interlude—3 measures, 3-1/2 beats, 4/4 time

And once again the scene was changed  
New earth there seemed to be  
I saw the Holy City  
Beside the tideless sea  
The light of God was on its streets  
The gates were open wide  
And all who would might enter  
And no one was denied  
No need of moon or stars by night  
Or sun to shine by day  
It was the New Jerusalem  
That would not pass away  
It was the New Jerusalem  
That would not pass away.

Jerusalem, Jerusalem  
Sing for the night is o'er!  
Hosanna in the highest  
Hosanna forevermore !

Hosanna in the highest  
Hosanna forevermore!

**Section 10—GROUP PRAYER with Jesus from Sunday, March 30, 1975, during *the Class of the Resurrection Flame*** [give with recording]

*I, Jesus, come before you this day. I come to pray unto the Father for mankind. Let us pray...*

Our Father of light, our Father of fulfillment, our Father of the promise, our Father who art in heaven, I AM come. I AM come to deliver the light body that is the fulfillment of our love.

O God, have mercy upon them. O God, have mercy upon them. O God, forgive them, for they know not what they do.<sup>8</sup> Let the joy of the angels come forth from the City Foursquare in the heart of the Great Central Sun.

I, Jesus, call unto the LORD. I call to the bands of angels who serve the Christos. I call to the legions of the resurrection and to the twelve legions of angels from the heart of the Father. Come forth now for the cleansing of the body of God upon earth. Come forth now and release the waters of the Word for the redemption of souls.

Come, O come, angels of light! Come, O come! Come, O come, angels of light! Come into the forcefield of Terra. For I call the hosts of heaven to announce to mankind the hour of the resurrection as opportunity for individual self-mastery, as opportunity for individual immortality.

I pray, O God, that these might be saved, that none of them should be lost.<sup>9</sup> O our Father, come into the presence of these souls, whose cups uplifted are waiting to receive the Word, the admonishment descending.

So send them forth as I do send them forth in thy name, O God. Send them without purse, without scrip,\* and yet filled with the Holy Ghost. O God, breathe upon them now the fires of the Holy Ghost and the breath of victory, that they might be filled with life and have the wherewithal to impart life unto all. Make them instruments of thy peace, O God. Make them emissaries of thy peace.

I, Jesus, come before you. I come before the altar of the heart in man and in God. I stand as the Mediator. I pray for all who in this moment are yearning for that closer communion and that closer walk with God.

I send forth the fiat of light from my own causal body this moment! And that light goes forth to all souls who are a part of me in every walk, in every church, in every faith. So let them now be sealed in the law of the resurrection! Let them be sealed in the law of the ascension! Let them be sealed in ascended master law! And let them also be marked by the white cube as communicants at the altar of the true Church.

And now, O God, as I bear my heart unto you and unto mankind, I make known that it is my desire to see the one fold become a part of the one Shepherd. I desire the flow of the Great Central Sun to come forth as a mighty River of Life to heal the schisms, to heal the divisions, to heal the hatreds and the condemnations.

I desire those whom I love to love one another. For if they profess love of me and have not the love of the Christ in one another, then I mourn the death of the Christ. I would rather that they speak blasphemies of me and learn the love of one another than to profess that love and to fail to understand that inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.
