Revised National Sovereignty and the Sealing of the Borders of America Call

I DEMAND ACTION BY ALMIGHTY GOD AND THE HEAVENLY HOSTS FOR NATIONAL SOVEREIGNTY AND THE SEALING OF THE BORDERS OF AMERICA!

In the name of the beloved mighty victorious Presence of God, I AM in me, and my beloved Holy Christ Self, beloved Alpha and Omega in the heart of God in the Great Central Sun, beloved Helios and Vesta in the sun of our system, beloved Sanat Kumara, beloved seven mighty Elohim, beloved seven mighty Archangels, beloved Surya, beloved Mighty Victory, Mighty Blue Eagle from Sirius, beloved El Morya and the Darjeeling Council, beloved K-17 and Lanello, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life- fire, air, water, and earth! I decree:

*I demand action in this hour by Almighty God and the Heavenly Hosts for the securing, closing and sealing of the borders of the United States of America, of enforcing our existing immigration laws, and of halting the flow and invasion of illegal immigrants, and through legal H1B and other opportunistic visa resettlement programs!

I demand the sealing of the borders of America! (9x)

I demand that the President of the United States of America and all officials and elected representatives of this nation uphold Article IV, Section 4 of the US Constitution that guarantees that every state shall be protected by the federal government against invasion. Expose and bring to swift justice all those within and outside of government who are participating in and facilitating the influx of illegal immigrants into America through its borders, and facilitating their stay through NGOs and lawfare. Expose the truth of these lawbreakers and their malfeasance, dereliction of duties and treasonous actions against America and its Constitution.

I demand action by Almighty God and the Heavenly Hosts to expose and bring to swift justice enemies such as criminals, terrorists, drug smugglers, human traffickers or spies who have infiltrated America, as well as the domestic business interests and civic structures that have directly (or indirectly) sold out American principles of governance.

I demand that the US federal government recognize and honor the Constitutional rights of American citizens first, before extending any charity to foreigners or illegal inhabitants. Compel the States to uphold the immigration laws of this nation, including enforcement in sanctuary cities and states. Compel the States to rule as the constitutional arbiters of their affairs and destiny.

I demand action by Almighty God and the Heavenly Hosts to thwart and block all potential terrorist attacks, subversive activities, insurgency plots and any other security dangers against America from invaders entering the country through its porous borders and lax law enforcement. America, awaken to the threats posed by the globalist totalitarian agenda, the Red-Green alliance, socialists, and Marxists, seeking anarchy to destabilize American sovereignty.

I demand that the Father, the Son, the Mother, and the Holy Spirit deliver this nation under God from perils and dangers coming from both within and without.

I ask for all this to be adjusted according to the Will of God, and that it be promptly implemented in accordance with that Divine Will.
