

BREAK THE CURSE/SPELL

In the name of my Mighty I AM Presence and Holy Christ Self, I call to beloved Astrea and Purity, Mother Mary, the Great Divine Director, Archangel Michael and Faith, El Morya and the Seven Chohans of the Rays, to beloved Mighty Cosmos, the Five Dhyanis Buddhas, the twenty-one manifestations of Tara, Padma Sambhava, beloved Lanello, and the entire Spirit of the Great White Brotherhood and the world Mother, elemental life, fire, air, water and earth:

I call for the divine intercession and the breaking of the curse of old oaths and vows that I may have made in past ages that have tied me into the consciousness of the fallen angels and the left-handed path. I demand the arresting of the spiral of all ties—conscious and unconscious—to all fallen priests, rabbis, nuns, spiritual leaders and purported healers, voodoo priestesses and black magicians to whom I have given my light and allegiance over the centuries. I demand the release from all such ties which have given them entrée into my psyche to place curses, spells, or hexes upon me, thereby locking me into their negative thoughtforms and patterns of thinking, controlling my energies and actions and enslaving my soul. Free me from all patterns of obeisance to false gods, idolatry, imposition of belief systems upon me in the name of spirituality and given away of my own God power. Bind, consume and transmute the cause and core of any and all of these records and ancient ties once and for all.

I invoke the power of mighty Astrea and Purity's cosmic circle and sword of blue flame to encircle these grids and patterns of darkness, duplicity, deceit, deception, psychic projections, emotional riptides, aggressive mental suggestion and control; verbal curses, aura invasions, energy merging; disrespect and disallowing of my free will; malicious, ignorant, sympathetic, and delicious animal magnetism; and all forms of discordant or negative manifestations in my thought and feeling world. I ask for the removal of the false imposters, Kas, not-selves, or dwellers-on-the-threshold of anyone now attached to my energy field or seeking to enter therein. Remove all energy grids and matrices cast on my house and energy forcefield. I ask you to fully and finally break the curses that the fallen ones have placed upon me—cause, effect, record and memory back to my first embodiment in matter—and fill my life and home with only the illumined light of God.

Cut my soul free, right now today, to fulfill her dharma and divine destiny without any further interference and to serve only my Holy Christ Self. I ask this according to God's holy will. Amen
