(2) **Welcome and Salute**

*Hail!* to the Mighty I AM Presence and Christ Self! *Hail,* beloved Omri-Tasi! *Hail,* beloved Archangel Michael and Faith! *Hail* Guru Ma and Lanello! *Hail!* Keepers of the Flame! *Hail!* to the I AM Presence and Christ Self of each soul on earth, souls coming and going! *Hail!* to the Angel Deva of every community. *Hail!* to our sponsors, the Great White Brotherhood and all beings serving in etheric retreats connected with Terra!

By your dispensation, El Morya, we give you our personal problems and we move on to world service through the Word.

Beloved Holy Amethyst, give us your ray of Perspective.

*The earth is the LORD's and the fullness thereof!* and all they that dwell thereon.

We stand with our beloved Messengers. We stand on the coastlines and on the fire ring. We stand in the Middle East. We stand in all areas of turbulence and imbalance. We stand with all souls aborning in the womb. We stand with our brothers and sisters who are fighting for the light and for the right in every nation. And we infuse the earth with sacred fire. *OM!*

Onward we march with legions of Omri-Tas, with legions of Victory and Freedom. Shoulder to shoulder, indivisible and strong, we form a vanguard of light in the earth for Saint Germain and El

Morya. Left, right, left, right, left, right, Alpha, Omega, Alpha, Omega, Alpha, Omega. OM AH HUM VAJRA GURU PADMA SIDDHI HUM (3x)

(3) **For the Tube of Light around Every Son of God; Mantles**

Beloved Alpha and Omega, place your mighty Electronic Presence here upon this altar. Stand in the earth for the saving of America and the light of Sanat Kumara's I AM Race in every nation. We claim the earth for Saint Germain, in the name I AM THAT I AM!

By the power of the light of God that never fails, in the name of our Father/Mother God, I invoke the mighty tube of light around everyone in this and every nation, every representative of the people. I demand the action of the sacred fire from the heart of Alpha and Omega. I demand the sealing of every son and daughter of God, every child of God in the light of the Solar Ring. Seal us now in communion with our God Presence. Seal now all individuals who represent the people by the authority of the threefold flame on inner and outer levels. Let our souls be free to serve the light of God and let no man take from us our freedom to walk the earth with Lord Maitreya and Gautama, beloved Jesus and Sanat Kumara, all of the hosts of heaven and our very own beloved Holy Christ Selves.

Let the Christ Presence descend. Let the mantle drop. Let the full power of the consciousness of the Godhead be upon our people and our leaders.

We invoke the power and authority of the Faithful and True, the Word of God, and the mantles of the Messenger Elizabeth Clare Prophet to be upon us now, including the mantles of the Two Witnesses, the Messenger of the Great White Brotherhood, the Mother of the Flame, the Vicar of Christ, the Guru, the office of the World Mother, the mantles of the Lord of the World and of the Priesthood of the Order of Melchizedek, the mantle of healing, the ancient mantle restored, and the mantle for "the safe passage of ye all," which is the mantle of learning, illumination and self-knowledge.

And we invoke the mantles and offices given to each one of us, including the mantles of the sixteen prophets of the Bible, the mantle of the World Teachers, the mantle of the Woman Clothed with the Sun, and any others, known or unknown to our outer minds.

Beloved El Morya, transfer your mantle to us and *bind* the antithesis and the anti-self of your great God-free being and all impostors of Lanello, Saint Germain, Jesus, John the Beloved and the great masters of wisdom. We invoke the mantle of Alpha for the defeat of world communism and terrorism and the raising up of our physical defense.

As the call compels the answer, we ask you to therefore seize all mantles of light that have ever been stolen or misused throughout every race and nation and religion.

*Bind* all psychic impostors of the Great White Brotherhood! *Blaze* the light through! (3x)

Thereto, in God's name I AM THAT I AM, we decree.

*Decree 0.01 Violet Fire and Tube of Light Decree (3x)*

Cut them loose and set them free! (3x)

From all that's not Christ Victory!

I call for the Spirit of the Resurrection to raise up committed Lightbearers who are of Saint Germain's purple fiery heart in every branch of government, the military and NASA. Archangel Michael, bind and cast out all serpentine consciousness, fallen angels, antichrists and tools of the sinister force blocking the Light of God that never, never, never fails in every branch of government, the military and NASA!

iii. I call to Alpha and Omega, Helios and Vesta, God and Goddess Meru, and the Cosmic Sponsors of Youth in the Heart of God in the Great Central Sun, and I demand the exposure, binding and judgment of every misuse of governmental authority, including legislation by regulation and judicial decisions and opinions; blackmail, graft, greed and bribery; excessive and inequitable taxes, welfare and business regulations which destroy the individual, the family and the free enterprise system; affirmative action and feminist programs which violate free will, karma, and initiation on the path of personal Christhood; all schemes to destroy private property rights through zoning and master planning, federal and state condemnation and "taking" of private property; creeping socialism and secular humanism, the locking up and manipulation of our land and resources, especially strategic minerals, through environmental control, federal and state law and land acquisition; manipulation of agriculture and the American farmers, Mafia manipulation of labor and unions, the control of the economy, the dollar and the banking system through the Federal Reserve, the international bankers, IMF and multinational corporations. Saint Germain, Chamuel and Charity, Hosts of the Lord, dissolve it all right now by the Ruby Ray and the violet transmuting flame!

IV. Beloved Mighty I AM Presence/Mighty Threefold Flame of God! I call for the exposure, binding and judgment of all organizations attempting to stop U.S. strategic defense and to gain control over the earth, including the Illuminati, the Order, the Group (in Great Britain), Bilderbergers, CFR, Trilateral Commission and all national and international power-elite, policy-planning groups, the ICCG, and especially the support of the Russian Federation and People's Republic of China (PRC)'s anti-American leaders by Western money and technology—conscious or unconscious.

Likewise, we call, in the name of the I AM THAT I AM, for the binding and the complete exposure of all collaboration, trade, aid and the sale of military materiel, dual-use high technology and especially weapons of mass destruction or the components thereof by Russia, the PRC, Iran, Iraq, Libya and Syria, as well as illegal sales of weapons and military technology by U.S. and Western European companies to international terrorist groups, such as Al Qaeda, Hamas, Hezbollah, et cetera.

Hercules! Amazonia! Archangel Michael! Beloved El Moryal  
Blaze forth the light into Wall Street and the establishment!

Mighty action of the sacred fire, mighty action of the sacred fire, mighty action of the sacred fire right now this day! (3x)

We demand the full power of beloved Saint Germain! *Hurl* your miracle pouch, *hurl* your miracle pouch, *hurl* your miracle pouch into the cause and core of every momentum of condemnation of our souls, of this activity of light, of the Christ in every heart, of the

teachings of the ascended masters, of the mission of the lightbearers on earth as a violet planet!

*Bind* all attempts to divide the Community of the Holy Spirit! *Burn* through the psychic imposters of our souls, of the messengers, of the ascended masters and the burden of psychic effluvia clouding the minds and hearts of the lightbearers and the chelas of Saint Germain. Cut us free, O God! And let us know the true freedom of the soul to do the will of God.

Blaze blue lightning through! (3x)

Encircle the impure heart! Encircle all illusion! Encircle the traps created by our karma or our astrology, individually and as a mandala. Mighty Astrea, Mighty Astrea, Mighty Astrea, Mighty Astrea, lock your cosmic circle and sword of blue flame around this forcefield now! Blue lightning bombs descend! (3x)

Clear the way for Mighty Victory now!

*Bolts* of blue lightning, penetrate through! (3x)

And let God's will be done, let God's will be done, let God's will be done.

The light of God never fails, the light of God never fails, the light of God never fails, and the beloved mighty I AM Presence is that light!

Blue lightning bombs descend! (3x)

In the name of the Father, the son, the Holy Spirit, in the name of the Mother, we decree.

### VIOLET FLAME, part 1

(9) Violet Flame Invocation for the Transmutation of the Planetary History of War by Freedom's Flame

In the name of the light of God that never fails, I call forth the action of the sacred fire from the very heart of beloved Helios and Vesta, from the very heart of beloved Alpha and Omega. I call unto

the Elohim of God. I call for the full power of the mighty archangels and the chochans of the rays.

Beloved Maha Chohan, hear my call and answer!

I call to the very throne of the Almighty. Beloved Alpha and Omega, we call for the saturation of our planet Earth by the mighty action of freedom's flame for the burst of the light of freedom that is an honorable peace and an honorable freedom. We call forth the intensity of all the hosts of the Lord and the ascended masters to gather here and now for the mighty victory of the God flame.

I call for the mighty circle of fire! I call for the full power of the Great Central Sun Magnet! LORD GOD of Hosts and thy servant Saint Germain, Lord Jesus Christ, come into this forcefield now. Let the will of God be done.

We call for the saturation of the souls and communities, governments and the economies of the nations with the violet flame of freedom. We call for the saturation of elemental life and for the consuming of the planetary fear upon them. We call for the penetration now of all darkness and deceit, all treachery and intrigue practiced by the governments of the nations against their people. We demand the exposure of the liar and the lie working through the dweller on the threshold of Saddam Hussein and any who are self-deceived and therefore attempt to deceive the whole world.

I demand the ring-pass-not from the Great Central Sun around the entire Middle East, Iraq, Israel, Palestine, Afghanistan, Pakistan, India and Kashmir. I call for the action of that mighty ring of fire from the heart of the seraphim of God. I call for the hosts of the LORD to descend! I call for the white fire of the great seraphim. I demand the consuming of all fanaticism and hatred of America. Blaze the light of God through the portents of the warring vision showed to George Washington by the Goddess of Liberty! Blaze the light through. Blaze the light of God into the cause and core of the prophecies of Nostradamus and Mother Mary.

Omiri-Tas, Omiri-Tas, Omiri-Tas, *mir!* your miracle pouch into the handwriting on the wall!

I demand the binding of the hosts of war and of the fallen ones perpetuating needless war upon this planetary body by their greed and lust for power, for land, for resources, and for the conquest of men and nations.

We demand a binding action of the Elohim of God. We call to the mighty hosts of the LORD! We call forth the mighty action of the violet flame!

I call to the Great Central Sun Magnet. I call to the light of God that never fails. I call for the action now of the entire Spirit of the Great White Brotherhood!

Arcturus and Victoria, Zadkiel and Holy Amethyst, beloved Saint Germain, violet-flame angels from the heart of the Royal Teton and the retreats of the Brotherhood, we implore assistance here for the holding action of our planet Earth and for the bringing about of peace by transmutation of all hate and hate creation and all cause, effect, record, and memory of this planetary history of war.

In the name of the Christ, I call to the Great Divine Director and the Lords of Karma for the arresting of the spirals of darkness, deceit, self-deception and the betrayal of the Christ in America and in every nation upon earth, including war, terrorism, the ICC, crime, murder, abortion, suicide, drugs, alcohol, child abuse, negative astrology and environmental pollution.

And all misuses of: the sacred fire, the economy, entertainment, communications, education, government, religion, science and the victory of our communities, families and youth.

In the name of the Father, the Son, the Holy Spirit, and the Mother, we decree. *With a thrust and a roll and a Ho, Ho, Ho!* (3x)

**(10) One hour of solid violet flame.** *[Go straight into the body of the decrees. See list at end of this matrix.]*

### **(11) Dispensations of Violet Flame**

We stand as one and ask that our united causal bodies be multiplied. We ratify every dispensation possible to be activated now through our offering of violet flame decrees. *Multiply! Multiply!* *Multiply!* the light by the power of beloved Omiri-Tas and the legions of the Violet Planet, Saint Germain, Ra Mu, beloved Lord Maitreya *Multiply!* square and multiply again by the power of ten and the ten thousand times ten thousand our offering.

Beloved Kuan Yin, *OM MANI PADME HUM!* Let us be the unguent of thy mercy flame to a world in need. *Release* the light of the giant violet flame reservoir as a direct transfusion to all

lightbearers now *Intensify* the violet flame sea in the heart of the earth. *Flh* now the Maltese cross, the violet flame cross with violet flame fohat. Angels of the Order of Zadkiel and priests and priestesses of the Order of Melchizedek and beloved Lanello, confirm our presence in the Inner Order of the Great Central Sun Magnet.

Now *supercharge* this magnet by the Elohim and violet fire!

O Beloved Omri-Tas, let the priests and priestesses of the Sacred Fire from the Violet Planet form beautiful, magnificent spheres of violet flame and roll them down cosmic highways of life to the capitals of every nation. *Radiate* out violet light to the entire planet to bless all souls and elemental life, especially every chela of Saint Germain. *Send* forth the electric spark, the current of the Alpha cycle of the violet flame this day.

By God's grace, we now stand anointed as violet-flame candles, as bonfires of victory, as fireworks that will glow all the days of our lives.

(12) *Song [optional]*

## VICTORY AND JUDGMENT

(13) **Claim the Victory and Bind the Force of Anti-Victory**

*Here and Now*, we claim our fiery destiny! Together, we claim the victory for the holding together of the earth! We claim the victory for Saint Germain, for the violet flame and freedom on earth!

Therefore, I speak that word:

In the name of the living Christ,

In the name of Jesus the Christ and my own Christ Self,

In the name of the I AM THAT I AM,

I claim my victory now! I claim my victory now!

I claim my victory now! I claim my victory now!

I claim my victory now!

Beloved Mighty I AM Presence, thou God in us! Ascended Master Jesus Christ! (3x) the Seven Mighty Elohim and the Seven Beloved Archangels. Come, come, come in your visible, tangible, Ascended Master bodies and strike, strike, strike your mighty cosmic swords of blue flame of thousands of suns from the Great Central Sun in, through and around the cause and core of Absolute Evil: the sinister

force of the Anti-Mind working through UFOs, the false hierarchy and their psychic channels, laggards, all fallen angels beginning with the Watchers, their godless creation, the Nephilim gods and their mechanization man, embodied seed of Satan and Lucifer behind the ICCC, money changers, the media and the power elite!

And expose all false conceptions of peace where there is no peace. Cut through all veils of Nephurian illusion that allow lightbearers to sleep through or to be blinded to the gathering storm of world karma, including the maintenance of our enemies and the possible dire effects of war if there is not an adequate defense of our nations and the creation of the environment of true Freedom necessary for Saint Germain's Aquarian Age renaissance of Light Illumination and Divine Love.

Legions of Light, take command and control!

In the Immaculate Heart of Mary I trust! (3x)

*Roll* it up as a mighty scroll and put to the torch the cause, effect, record and memory of the fallen ones, the Nephilim, the Watchers and their godless creation, the seed of Serpent, Lucifer, Satan, Beelzebub, Peshu Alga, his consort and the beast and the dragon in any of its names and disguises, especially the Abortion Beast and of every disease, known or unknown. *Burn* through!

We call for the binding of all manipulations of the economy, all misuse of the world financial system and the plundering and looting of the supply of the children of light, all Luciferianism, Satanism, and Illuminati controls over the divine economy of the nations; the misuses of capitalism and Communism, sinister strategies, philosophies, and propaganda; all manipulation of the economies of the nations through the mark of the beast, and the perversion of the masculine and famine ray in every walk of life.

Failure to comply with the golden rule and the divine law of supply and demand and right stewardship; all misuses of the Mother flame and the Holy Spirit in materialization, imbalances in the ecosystem, abuses and pollution of the four elements; inefficiency in industry and waste of our natural resources; inferior consumer goods and their misrepresentation; labor racketeering; organized crime, graft, inflation, unemployment, all problems of underdeveloped areas, especially poverty and ignorance and disturbances in the elemental kingdom.

In the name I AM THAT I AM, we call for oceans of violet flame in, through and around all carnal logic and secret manipulations that attempt to bring about wars and reactions to wars, terrorist mentality, insanity and incite hatred against America and the I AM Race.

All cycles of violence and revenge which would create a larger and more widespread war in the Middle East and across the world: all misuses of the media, confusion, delusion and misrepresentations made to the lightbearers to avoid the exposure of the plots and plans of the false hierarchy, all plans for direct and collateral attacks on our Constitutional system and our divinely inspired sacred God-given constitutional rights and freedoms.

I call now for the consuming of the cause and core of our ties to the fallen angels, the breaking of the *sefor* and records of the fall of Atlantis and Lemuria, including the murder of the Divine Mother, and the records from Maidek, Helion, the Twelfth Planet and negative records from every embodiment of the ascended masters and their chelas, twin flames, Christed ones and the sons of God on earth!

(14) **Judgment Call Decree 20.07 (9x) [or optional 20.09 (7x)]**

## VIOLET FLAME, part 2

(15) **Legions of Freedom, Step through the Veil through My Heart! [optional]**

Beloved Saint Germain, from out the heart of God in the Great Central Sun, *descend* with legions and legions and *legions* of freedom who have never set foot upon this earth! *Blaze* the highway of Light! *Blaze* the highway of our God!

*Beloved* Alpha and Omega, let legions of freedom descend! Let them come into embodiment in our community of the Holy Spirit and where there are lightbearers dedicated to the bringing forth of the creative Self of living souls.

*Blaze* forth the light! *Blaze* the pathway of our God! *Burn* through! We will not give up the ship! We will not give up planet Earth or America! We demand the action of intercession! We are the open door!

Lo, we are the open door through which the Light descends! Lo, in the name of Jesus Christ, we say: I AM the open door which no man can shut!

In the name of Jesus Christ, I say, I AM the open door which no man can shut!

In the name of Saint Germain, I open the door of my heart this day.

Legions of freedom, step through the veil through my heart! Blaze the sacred fire through my heart!

Legions of freedom, step through the veil through my heart! Hail, Saint Germain! (3x) and Portia!

(16) **Song [optional]**

(17) **For the Electronic Presence of Saint Germain over his Activities! [optional]**

In the name of the living Word, I call for the full power of beloved Omri-Tas, beloved Saint Germain, your purple fiery heart, your magnificent God-free being, your mighty Electronic Presence here!

*Blaze* the light of your miracle pouch! (3x) *Blaze* the light of a cosmic miracle by your heart flame into the very cause and core of every manifestation of treachery and intrigue directed against me or the light for which I stand, against the outposts of Saint Germain in every nation.

Beloved Lanello and K-17, *Expose* / *Expose* / *Expose* / The truth of the Liar and his lie, the fallen ones, and the Murderer and his murderous intent!

*Burn* right through and roll it back!

*Roll* it back and mow them down! *Roll* it back and mow them down! *Roll* it back and mow them down! *Bind* those demons and discarnates now! *Bind* them by the full power of the Elohim Astral!

*Hurl* your mighty miracle pouch into the cause and core of all criticism, condemnation and judgment directed against Elizabeth

Clare Prophet, the Messengers and chelas, Keepers of the Flame and their families, Summit Lighthouse study groups, Church Universal and Triumphant teaching centers, the Inner Retreat, the Royal Teon Ranch, the governments of the nations and the lightbearers on Earth.

Beloved Elohim of God, mighty archangels and choans of the seven rays: *Seize, pin and bind!* all betrayers of the living Word.

*Blaze* the light of the violet flame in, through and around all plans by the false hierarchy to insert their vision for the age of Aquarius, the warring of Gog and Magog and a war economy, and their false vision of freedom in Aquarius instead of the divinely-inspired plan of Saint Germain for a true golden age of Aquarius physically manifest in the matter spheres.

*Bind* now all fanaticism and all energies of human viciousness, slander, calumny and disinformation, hate and hate creation emanating through the media, radio, TV, video, newspapers, newsletters, magazines, e-mail, Internet sites and all who would take revenge against the seed of Sanat Kumara by attacking true God-government in every nation, this activity, the lightbearers and all other individuals, known or unknown, working against the Word incarnate, the Messengers of the Word, the disciples of the Word, the staff and dedicated servants of the Most High God serving the Great White Brotherhood *Bind* all opposition to the spoken, printed, electronic and recorded Word that must go forth in this age!

*Bind* all opposition to Sanat Kumara, Gautama Buddha, Lord Maitreya, Lord Jesus Christ and their Word in me this day!

*Blaze* right through into the very core of gossip, psychicism, all hate and hate creation, fear, doubt, human questioning, all superstition, falsifications and accusations, records of death and dying in every city, town, hamlet, ranch, farm, church and community in Europe, Africa, North America, South America, Australia, Asia, Antarctica, under the oceans and lakes.

*Blaze* the dazzling white-fire purity of the Great Central Sun! Alpha and Omega, come forth now in all the mighty presence of your glory *Blaze!* *Blaze!* *Blaze!* The light through! *Blaze* the light of the Mother and the Manchild!

*Blaze* the light of the Mother and the Manchild now appearing!

In the name of the Christ, I invite the Elohim to turn our governments and all those acting in or as our government upside down, inside out, to shake it up and down, right and left until the right hearts, the Christed ones are in positions of authority.

In God's holy name, Saint Germain, we *hur!* your miracle pouch! *Hur!* the light of the Maha Chohan, the Holy Spirit! *Blaze* the light of the Holy Spirit upon Terra now, in every place where Keepers of the Flame gather in thy name. *Blaze* the light of the Maha Chohan in every heart, and pick everyone up now into the light of their own Christ-dominion for the fulfillment of the sacred labor.

I AM THAT I AM

We decree it in the name of Mother Mary We seal all our co-workers the world around in the Diamond Heart of Mary, in the Immaculate Heart of Mary.

*Blaze* the light of Mother Mary and legions of Raphael! *Blaze* the light through, and draw up now the mystical body of God upon earth for the victory!

I AM the victory, I AM the victory, I AM the victory now!

*Blaze* the light of cosmic victory! (3x) *now!*

*Blaze* the light through, and let God's will be done!  
In the name of beloved Lanello and Mother, Amen.
