

SAF Protection for Prayer Vigils

In the name of my Mighty I Am Presence and Holy Christ Self and the Holy Christ Self of my twin flame, I call to the sponsoring masters of Spiritual Awareness Fellowship. I invoke the electronic presence of Lanello, Guru Ma, El Morya, Saint Germain, Jesus and Mother Mary: Let all chelas be cut free, including those in Europe and Russia, from all forces that oppose their participation in our upcoming prayer vigil on [insert date]. I call for a critical mass of chelas to come together and to be one, physically in our Lombard sanctuary. Mighty Archangels, bind all that opposes those who should there in person.

I stand in the name of El Morya, in the name of Jesus Christ and Saint Germain and by the power of Archangel Michael and Astrea, and call for the binding of the dweller on the threshold of every member of this worldwide community of lightbearers. I call for the binding all opposition to an antahkarana of Ascended Master wisdom blanketing the planet through Spiritual Awareness Fellowship's virtual broadcasts, the internet, and other technology. Seal this activity and our upcoming prayer vigil in an intense blue diamond Light! Blaze the Light through! Prince Oromasis and Diana, burn through all opposition! Burn through! Burn through! Burn right through!

O Prince of the heavenly host, Archangel Michael, let the armor, the shield, the sword, and the invincible protection of the legions of light go with every SAF member to protect each one who should attend in the Lombard sanctuary and to bind all opposition to those who will attend through the internet. We call for the safety and protection of all those traveling in the air and on the ground. And implore Archangel Michael, Lord Morya El, Mighty Elohim Hercules to protect the throat chakra and voice of each one, especially all decree leaders.

We pray for the healing of all SAF members who need and are requesting healing in this hour. Let the healing thoughtform of Archangel Raphael and Mother Mary be placed over them. Let the miracle promise of Kuan Yin and the miracle light of Mother Cabrini overshadow them. Let the Angel Deva of the Jade Temple and Servatus send forth the emerald matrix and healing angels over each one connected with our SAF activity, and to the larger community of Lightbearers worldwide.

In the name of the Father, the Mother, the Son, the Holy Spirit, and the entire Spirit of the Great White Brotherhood, we seize the motto of the Mother of the Flame—Ich Dien, I Serve! Ich Dien, I Serve!

I live to serve, I love to serve, I serve to set Life free!

I live to serve, I love to serve, I serve to set Life free!

Ich Dien!
