

# “The Path of Purity: The Freedom to Become Divine”

Dear Friends,

This Sunday we gather in the light of divine opportunity—opportunity that comes through liberty, mercy, and love. But not just liberty as the world knows it—**we speak this Sunday of spiritual liberty**, the kind that gives the soul the power to rise above human density, to cast off impurity, and to *embrace the fiery path of purity*, the path that leads directly to God.

As the Goddess of Purity prayed,” **“O Liberty of my Life, I adore thee. For thou hast given unto me the freedom to pursue the path of purity...”**

“Therefore I come, grateful for opportunity, liberty, mercy, truth and love, vision and direction. For I would magnify—by a heart so pure because it is born of God—the seven rays

of Light, proclaiming unto all the world seven paths of opportunity for the fulfillment of the dharma and the understanding of the universal law of karma.

“Blessed hearts, there is no purity without love. For love of the heart, even the heart of God, is a fiery furnace that purges one’s own being of all impurity, impure seeing, and the clouding of the blueprint of Life.

“People lament impurity in the earth, the water, the atmosphere, in the soil, in the plant life, and in their own bodies. I say: Let us have a revolution of cosmic purity upon earth! Let it be the supporting revolution for woman, for man and man-child! Let the higher consciousness be that of rarefied love, pure love, that by the very fire in being is able to purify the environment and all of time and space”.

We invite you to join us this Sunday as we pause in worship to open the door even wider to greater spiritual purity in preparation for our individual ascension in the light.

In His Love,

Rev. Carl Showalter
