

Messenger's Invocations on Terrorism

of all those youth who are tied up in gangs and in drugs and are becoming outcasts in society, disenfranchised, not knowing how to even read and write.

We call for this healing of our nation, O God. Let the All-Seeing Eye of God prevail and bring us back to wholeness. [Decree 50.05] 7-2-96

Insert 116.42

Invocation to Archangel Gabriel

Beloved Mighty I AM Presence from the heart of God in the Great Central Sun, beloved Archangel Gabriel, come forth now in your mighty invincible flame of light with your ten-thousand-times-ten-thousand legions.

I call to the mighty seraphim of God, beloved Justinus, Captain of seraphic bands, and all legions of Serapis Bey, Elohim of Purity and beloved Astrea: we call for a mighty reinforcement of the protection of America by the very heart of Archangel Gabriel, by the tremendous assistance of Archangel Michael, Jophiel, Chamuel, Raphael, Uriel, Zadkiel, and Uzziel and all hosts of the LORD.

We demand a cosmic action of the Cosmic Christ for the binding and the judgment of these fallen ones, laggards, and demons out of the pit, and all those in embodiment who are moving against the divine love ray and the path of the ruby ray and its cross of initiation through our beloved Lord Maitreya in America in this hour.

We call unto the heart of God in the Great Central Sun. We call for the victory of the God flame. We call for the internalization of the Word. And we call especially to you, beloved Archangel Gabriel, to use us in this hour, use our temples, and together with K-17, Lanello, and beloved Ray-O-Light and the legions of fearlessness flame, to go after and expose, uncover, seize, and bind and remove from all activities of harm against this nation those representatives of the pit from whatever nation, known or unknown, who are the godless representatives of the more sophisticated international gangsters who move in the establishment and
