WORLDWIDE FLAME TRANSFERENCE
The Temple of Illumination over Lake Titicaca

The reinforcement of the golden chain mail

Those who engage in psychic activities cause a great burden not only to themselves but also to the planet as they become the open door for the energies of the astral plane to enter into the physical. In order to prevent this, the God and Goddess Meru in 1964 announced a dispensation whereby a “golden chain mail” would be draped around the entire planet to protect us from the psychic planes, the planes that are astral and of Death and Hell.

...

We wish to point out that the golden chain mail is the greatest weapon you have to thwart the agenda of the reincarnated Atlanteans and the false hierarchy of fallen angels who support them.

Vol. 29 No. 15 - God Meru - April 13, 1986

THE RADIANT WORD

THE COAT OF GOLDEN CHAIN MAIL

by Beloved God Meru through the Messenger Mark L. Prophet given in Los Angeles, July
26, 1964

Beloved Cyclopea and Virginia [excerpt]

This dictation was delivered by Elizabeth Clare Prophet on June 3, 1984 [bracketed material denotes words unspoken yet implicit in the dictation, added by the Messenger under Cyclopea and Virginia's direction for clarity in the written word]

Long ago the warning went forth to make the call for the golden chain mail [to keep separate the astral and physical planes] as that protection that would be given to the planetary body [as that armour of Light would be draped] from shrine to shrine, from the Christ of [the] Andes and from the statue of Jesus in Rio de Janeiro [and many others]. Beloved ones, all of the mighty monuments of earth were used to focus [and hold] that golden chain mail to protect the physical plane from the eruption [into it] of the [hordes of the] astral. This dictation was given very early in this activity.

There were not enough to call it forth. [Hence,] the golden chain mail was not strong enough or fortified enough by embodied individuals decreeing [to hold back the astral deluge]. And therefore what ensued was the breaking into the physical octave of all manner of demons of insanity and the rock music and the drug culture and depravity and murder and mayhem and further wars....

We seek to undo this! We dare to try! We dare to declare it as a cause into which we would harness your energies and the reins of your power and resources which you yourselves have drawn down to the physical octave....

Beloved hearts of living fire, we are determined that everything that has thus far erupted out of the pit and out of Death and Hell can be and is to be bound and removed from the planet by the Elohim and the forces in our command.

DECREE 20.01: GOLDEN WAVES OF PEACE

O Glorious Golden Flame of Illumination from the heart of God in the Great Central Sun: In the name of my beloved I AM Presence and Holy Christ Self, blaze forth now from the heart of beloved Alpha and Omega, from the heart of beloved Helios and Vesta, and from the heart of beloved God and Goddess Meru into our individual hearts and minds, flooding them with the precious oil of Illumination poured out in limitless radiance into our chalice of attention.

Beloved Mighty God Presence I AM in me and in the heart of the Great Central Sun, beloved Alpha and Omega, beloved Helios and Vesta, beloved Great Central Sun messengers, all cosmic beings, powers, and legions of Light, beloved Lord Gautama, beloved Lanello, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life—fire, air, water, and earth!

Come, come, come now in the fullness of thy power and direct thy precious light rays of Divine Illumination from the spiritual sun into our beings and worlds, flooding all with the golden flame of Christ Illumination, understanding, perception, and peace from the heart of God's own omniscience.

Come, come, come, O Divine Illumination's Ray;
 Come, come, come into my world to stay;
 Come, come, come in golden waves of peace;
 Come, come, come, thy Wisdom Flame release! (3x)
