

The Secrets of Christmas

Dear Friends,

A very Merry Christmas to each one of you! It is such a beautiful time to rejoice and be joyful of our own birth in the consciousness of the Christ flame within our beings.

As Jesus spoke to us some years ago in His 1982 Christmas dictation (Vol. 25 No 69):
“Dear heart, God has many ways of revealing himself, manifesting himself, and expressing himself through you. Take care that you are aware when holiness is within your temple, within your eye and heart, and guard therefore that holiness which belongs unto the Lord. And it is his, and it is his gift to you.

“Do not profane, therefore, the first rays of the dawn of the Word descending upon you and go again and behave as other men, as the mass consciousness or the ways of the youth of this planet. Do not profane the light I have given you, children of my heart, for it is a costly price that you pay for the nonrecognition of holiness and all things holy that are within the temple of the chela of the will of God.

“Lo, I come to do that will, O God! Lo! I AM come to do that will. And that will is ordinate for these, thy servant-sons. Let them, then, appreciate this perception of thy will, as the willing of the heart that becomes, itself, a flame of fire that bursts and consumes all unlike itself—a fire that becomes a magnet and one day magnetizes the whole loaf of the body of God.”

Do join us this Christmas Sunday as we open our hearts to receive a new awareness of this Christ consciousness and become even more of a manifestation of God in faith, trust and deepest Joy!

In His Love,

Rev. Carl Showalter

PRAYER FROM JESUS' DICTATION:

Here, O God, I have found thee!
I have found thee in the wind and the fire
And the crystal and the snow.
I have found thee then in the heart, in the smile
of a friend.
Here, O God, in this point I AM!
And I stand and I will be
And I will be all that thou art here!
And when thou dost pass by, O Lord,
I will be here at my post
And I will still stand
And I will be here at the rising of the sun again
and its setting.
All through the night and the day
I will hold my flame,
I will keep the watch,
I will keep the light in the lighthouse window.

Here I AM, O God!
You can count on me!
I will do my part with constancy,
I will keep my vow,
I will see that this ship of Maitreya arrives at that port
And I will be with you, my Lord,
The Saviour of the World.

I this day will be born, my Lord, with you.
I will claim the Bethlehem star
Of the Great White Brotherhood
As the star of my appearing,
Even the Mighty I AM Presence and causal body
Multiplied by the avatars of the ages.
Lo! I AM that Christ descending in my temple, O Lord.
Lo, I AM THAT I AM.
Lo, I stand and I summon and by my love I magnetize
The full-orbed Presence of the Christ of me in form
And lo, my soul does stand and know
The meaning of the oneness of that Christ!

I AM THAT I AM.
I will plow the field.
I will sow the seed.
I will water and I will keep the watch for God
To give the increase of my sacred labor.
Hearken unto me, O God,
For I AM a son of God in Jesus' name
And I have come to set the captives free
In this hour of the Christmas and the winter solstice,
In this moment of the Sun behind the sun
One with thy heart, one with my heart.
I AM the living One.
I AM the One—not two, but One.
I AM the One,
And in the Law of the One
The I AM of me does reign supreme.
Hear me, O Maitreya!
I respond as the Son of God, as Jesus did!
I AM fearless in thy name to wrestle with the snake,
To bind it and to walk in the wake
Of the mighty ship of life.
O My Captain, hear my call
For I stand, and I stand upon the watch,
And I AM the keeper at the gate
Of my consciousness and heart.
