

INSERT FOR BLUE FLAME DECREES

In the name of the Christ, I call to the Great Divine Director and the Lords of Karma to arrest the spirals of darkness, deceit, self-deception, and betrayal of the Christ in America and in every nation. Hercules and Amazonia! Anchor your twin pillars in the earth to hold the balance of Alpha and Omega. Let the blue flame flow for positive change, so that the perfect blueprint of love and freedom manifests.

Beloved mighty Surya and Cuzco! Come with legions of light from the God Star to reinforce the crisscrossing action of the blue ray rods, to stabilize our planet. Take command over all warfare, pestilence, nuclear weapons, genocide, terrorism, rioting, mobs, Russian-Chinese geopolitical aggression, false flag operations, spy-drones and microchipping.

Beloved El Morya, manifest God-government on Terra, and overshadow those steering the nations toward God's Will. Roll back all socialism, communism, globalism, and political ideologies that attack our sacred freedoms.

Mighty Archangels, stand guard over the youth of the world to defend them against the meth-crisis, marijuana, cocaine, crack, heroin, PCP, alcohol, nicotine, and harmful vaccinations; pornography, incest, child prostitution and molestation; witchcraft, black magic, Satanism; murder, suicide, unjust arrest and detainment, and violence in educational facilities.
