

I call for the angels of the harvest, the mighty reapers of Almighty God. *Bind* those individuals now upon this planetary body who murder the children of the Light, who are the barbarians, the fallen ones whose evolution is from beneath and not above.

I call upon the Christed ones to descend over all lifestreams upon this planetary body. *Blaze* the light through! *Blaze* the light through! *Blaze* the light through!

Beloved Saint Germain, in *God's name* I AM THAT I AM, we *demand* a miracle this day in our city of Washington, through the president and all the counselors with him, and all advisers and members of the National Security Council!

We *demand* a miracle this day! We *demand* the turning back and the overturning of the malice, murders, and lies of all terrorists, known or unknown and all those who are aiding and abetting them and the cause of World Communism!

*Burn* through! *Burn* through! *Burn* through and bind the dweller on the threshold of the betrayers of the flame of freedom in America and the seed of Satan in the governments of the Russia, the USA, the People's Republic of China, and all nations in this hour!

*Miracles* of Saint Germain, descend!—*miracles* of freedom for the saving of America and this world! I demand it, in the name of the Christ Self of every lightbearer and Keeper of the Flame on earth.

*Descend*, O Mighty Christ! And *act* now through the sons of God! In the name of the Goddess of Liberty, I AM the miracle of God!

[decree 1.21 "I AM the Miracle of God"]

*We enlist you, beloved, fervently to see to it that you give your calls to Cyclopea weekly. If you can come together and give a hundred forty-four decrees to Cyclopea, I say to you, we shall be able to thwart many an attempt at the destruction of all that Liberty holds for this nation. All that Saint Germain has given and all hopes for a world of peace may be dashed if you do not do this, beloved.*
