

# *Self-Transcendence through the Flame of Mercy*

Devotees of the Divine Mother,

I invite you to step into the heart of the Goddess of Mercy, our beloved Kuan Yin. In 1974, she invites each of us to become her temple of mercy.

She said, “I release mercy today in the gentle but powerful ray of the Divine Mother — mercy because mankind need mercy. I come with the fires of forgiveness. I come with a taper in my hand to ignite the eternal flame of mercy in your heart. Won’t you come to the mercy

temple at Peking? Won't you be my temple of mercy, even as you come into the temple there?"

Let us enter into the heart of Divine Mercy and Forgiveness for personal transformation and for the transformation of worlds.

In Mercy's Flame,

Rev. Daria Stiles

**The Temple of Mercy** is an etheric retreat of the Great White Brotherhood over Peking [Beijing], China. As hierarch of this retreat, Kuan Yin focuses the flame of mercy and forgiveness for the children of the ancient land of China and the souls of humanity. With the brothers and sisters of mercy who serve with her, Kuan Yin ministers to the evolutions of this planet and solar system, teaching them to balance their karma and fulfill their divine plan through loving service to life and application of the violet flame—God's great dispensation of mercy delivered to his people through their exercise of the science of the spoken Word.
