Anchor your presence and forcefield over us to empower us in the performance of our ritual for the demagnetization and the purging of Washington D.C centered in the Oval Office of the West Wing of the White House radiating out and including all surrounding areas within a 200 kilometer radius surrounding the District of Columbia by the vortex of fire established the Mighty Elohim. We stand as alchemists of the sacred fire, transforming the carnal mind by utilizing the power of the Christ Mind to liberate the Christ consciousness of individuals, cities, and nations. We invoke the mantle of God Surya and the Four and Twenty Elders, who entrusted us with the mission of the demagnetization of cities and nations.^{iv}

We implore a dispensation from Mighty Victory, The Tall Master from Venus to anchor your Spirals of Light to demagnetize this geographical local of the human consciousness and magnetize the divine consciousness of the golden age: Let Victory's Rod of Power be placed in the Oval Office of the WHITE HOUSE and extend outward in a radius of 200 KILOMETERS surrounding the city of Washington DC. Let this circle of Mighty Victory bloom and expand for the opening of the Third Eye Chakra of America, the protection of the District of Columbia, the raising of the Golden Age, and the unification of the lightbearers of America under the tutelage of our beloved Saint Germain. This six state area of Maryland, Virginia, West Virginia, Delaware, New Jersey and Pennsylvania including the District of Columbia area shall be referred to as *Mighty Victory's Circle of Fire*. We welcome, the Angel Deva of the District of Columbia, the state of Pennsylvania, the city of Philadelphia, the seat of our original Federal government, the state of Virginia, the state of West Virginia, the state of Delaware and the state of New Jersey. And therefore I dedicate those percentages allowed me by the Lords of Karma of the fire of my lifestream for the fulfillment of this very purpose.

Let there be Light! (9x)

Light, increase! (4x)

Light! (40x)

Light, increase! (4x)

O God Surya, come in thy mighty chariot. Disperse the dark ones! *Bind* those who have no more time and space on earth! Let them be bound by the hosts of the Lord. Archangel Uriel, *hear* our call! Let there be the binding in this hour and the exorcism of practitioners of the black arts who enslave the children of the Light! Come forth, Seven Archangels, hosts of the Lord from great cosmic heights. *Purge* the earth! *Purge* America! *Purge* the WHITE HOUSE! *Purge* the Third-eye Chakra of America! *Purge* Washington DC! *Purge* Mighty Victory's Circle of Fire! And now let the seraphim of God take dominion. God Surya and Cuzco, let the coils of the Great Central Sun Magnet intensify on planet Earth to demagnetize, neutralize and banish all power and subversive techniques of mind control and black magic used to captivate, hypnotize, brainwash, imprison, and mesmerize individuals and elementals.

Overtturn immediately what remains as America's Achilles' heel today—abortion. Let those who promote abortion on demand or make it a universal law with availability for all womankind on the planet be barred from positions of leadership whether within government or private organizations. I pray with all of my heart and might that leadership positions be occupied by those who come bearing some portion of the mantle of their Holy Christ Self, some portion of the mantle of Jesus. I decree it so! Let it manifest according to the will of God. We pray for the enlightenment, protection and victory of Ron Paul as the next President of the United States of America.

We proclaim as brothers and sisters of Light that **America will prevail as the bastion of Freedom! (3x)

We claim Mighty Victory's Circle for Saint Germain, the Mother of the Flame, for Hierarchy, and every Son and Daughter of God! (9x) Let this circle continue in waves until it engulfs the whole earth.

We invoke the light of a cosmic snow which comes upon Mighty Victory's Circle of Fire and the earth as a cloud of infinite energy, such as the one called forth according to the alchemy and ritual of Saint Germain, released through the Twin Flames, the Snow King and the Snow Queen, who dwell in the white fire core of the holy purpose of an ancient civilization where modern day Greenland stands. We invoke the release of this light of cosmic snow, which has the same absorptive quality as the cloud of infinite energy, to come to earth then in a release of light clearing the debris for the descent further and further into the physical octave of the etheric body of light, the swaddling garment given to earth. Let this cosmic snow absorb ten thousand times the weight of each particle in human creation and substance of the astral plane. For throughout the world, then, a new purity of light goes forth and a clearing action that comes in answer to our calls to the violet flame.

We receive this release of cosmic snow passed from Solar Logoi through these reigning hierarchs, the Snow King and the Snow Queen. We receive them and the fairy wonderland they bring as elemental life rejoice, and breathe in this cosmic radiance, radioactive with the light of the Central Sun, which when absorbed, is for the healing of disease and the consuming of those diseases which beset the earth in these last plagues. Come, O hierarchs of elemental life! Come, Oromasis and Diana! Come, Aries and Thor! Come, Neptune and Luara! Come, Virgo and Pelleur! Come, sweet ones of Light, come! Release the fullness of Mind of God in all quadrants. Come forth now for the holding of the balance in the earth body. Come forth now for the holding of the balance and the binding now of the karma of the seed of the wicked, of the seed of Satan. Let it be bound! Let the powers of Darkness and the power of black magic, witchcraft, and voodoo be bound in the earth. Come forth now and overturn the fallen ones and set back and annihilate their timetables of war and attack on the economy! Let their Darkness be consumed by the fiery Light of God! I decree it in the name of the living God. I decree it, for we are the Keepers of the Flame in the earth. I decree that we will have the victory; and I claim the God Victory of the mission.

We will not turn over the DISTRICT OF COLUMBIA, America, or our planet to the fallen angels! (9x)

In the name of the Christ, I call to the Great Divine Director and the Lords of Karma for the arresting of the spirals of darkness, of deceit, of self-deception, and of the betrayal of the Christ in Washington, DC, the Third-eye chakra of America and in every nation upon earth. Beloved Great Karmic Board, in accordance with Cosmic Law and in the name of my mighty I AM Presence, I demand the consuming and lifting of the tremendous burden and yoke that weighs down the Washington, DC area. O Spirit of the Great White Brotherhood, Lord Sanat Kumara, beloved Father, I raise the sword of the sacred fire, and with the mantle that is my own and the mantle of the Great White Brotherhood, I divide the waters of Jordan. I cleave asunder the Real from the unreal. I AM the binding of all forces of Darkness assailing the Light of God in his people on earth. Let all Darkness that assails the Great White Brotherhood be confounded, bound, and turned back. I decree it by the authority of the Light of God with me and within each and every one of the chelas of the will of God worldwide. Restore America's rightful ruler--the Cosmic Christ and the planetary Buddha.

The Earth is the Lord's and the Fullness Thereof! (3x) It is done! (3x)

In 2011, a 5.8 magnitude earthquake struck Washington, D.C., which forced the closing of the Washington Monument due to significant damage. In January 2012, the Trust for the National Mall announced that then-Campaign for the National Mall Co-Chair David M. Rubenstein donated \$7.5 million to match the funds allocated by Congress to repair the obelisk. The donation was the largest individual gift in the Trust's history, and the restoration work began in late 2012. Throughout 2013, the Trust for the National Mall and the National Park Service oversaw the repair process following the extensive damage left behind by the earthquake. On July 8, 2013 David M. Rubenstein, alongside Trust for the National Mall President Caroline Cunningham, flipped the switch that brought the 500 tons of scaffolding encasing the Washington Monument to life with 488 glowing lamps. News cameras rolled while spectators watched in awe as the iconic landmark lit the skyline of the nation's capital. The lighting ceremony is just one milestone that highlights the partnership between the Trust and the National Park Service that led to the restoration of the Washington Monument. The reopening of the Washington Monument on May 12, 2014, marked the completion of restoring one of America's most well-known pieces of architecture. The Washington Monument embodies the spirit of the successful public-private partnership central to the mission of the Trust for the National Mall.

O Cosmic Mother and all who ensoul the Mother, form the mighty spiral of the Feminine Ray! Let the great spiral of lives ascended *roll!* Let the great spiral *roll!* And let it reach the mighty zenith high in the heavens where stand the twin flames of Alpha and Omega rejoicing that men and women of earth have determined to come Home and to raise the planet—a planet whose very heart has cried out in distress to the throne of Almighty God. CLEARING THE PHYSICAL QUADRANT

Hail Virgo! Hail Pelleur! Hierarchs of the Earth Element. We claim your earth! Free all imprisoned Elemental Life. (3x)

O Great Hierarchs, from deep within the heart of the Earth. Twin flame vessels who ensoul the sun of even pressure in the heart of the Earth weave for all mankind opportunity for all divine. Descend mighty beings of great mastery of the consciousness of resurrections' fires, of cosmic currents of the mind of God. Virgo and Pelleur, blessed holy ones who have held the balance of earth, let the gnomes be free from the impositions of darkness! Let the resurrection flame focused in the pillar, the mighty spiral of lives ascended, penetrate the level of earth now for the freeing of the gnomes from a certain portion of energies from which they might be freed this night according to the decree of Alpha and Omega! So let the burden be lifted! Let the gnomes hold high their heads and march now in rejoicing! Let those who have been burdened by earth's oppressive weight be freed now in the Flame of the Mother and the Flame of the Holy Spirit! (Vol. 16 No. 27)

Giants of the elemental kingdom of the earth, powerful beings wield now the fire of atom and molecule and hold the balance for the continents through cataclysm, flood, and fire. Sustain the platform for the great experiment in free will ordained by God unto his children whom he sent forth into the planetary systems to be fruitful in the Christ consciousness and to multiply the manifestation of God in their offspring and in the works of their hands. Descend gnomes of the earth in the white fire of Terra for the clearing of darkness. Purge the physical quadrant and plane of Mighty Victory's Circle of Fire – the 9, 10, and 11 O'clock lines.

By the power of invocation present in the high priests of Atlantis and Lemuria and by the power of invocation from the planet Venus, I draw forth from the heart of God the feeling of God-victory. I call forth nine magnificent pink globes three feet in diameter, with magnificent white wings of cosmic light substance, and I call them forth from Venus to earth. And as I call forth these beauteous globes with all their radiant pink qualities of light, I charge them with my own feeling of cosmic victory. I command these nine globes in God's name to wing their way to this earth, to this forcefield, to this city. And when they strike this forcefield, which shall be in a matter of seconds, I ask that they shatter their Ascended Master light substance one hundred fifty miles in every direction and centralize their focus here to give everyone a feeling of their cosmic God-victory, which I AM in cosmic manifestation, eternally sustaining, all powerfully acting and ever expanding. Now come forth in God's name and blaze thy victory here! *Blaze thy victory here! CLOSING INVOCATIONS: THE SEALING OF THE ENERGIES

20.14 GOLDEN VICTORIOUS LIGHT
by the Cosmic Being Victory

In the name of the beloved mighty victorious Presence of God, I AM in me, Holy Christ Selves of all mankind, beloved Mighty Victory, Apollo and Lumina, Archangel Jophiel and Christine, God and Goddess Meru, Goddess Sarasvati, beloved Guru Ma and Lanello, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life—fire, air, water, and earth! I decree:

INSERT – Reactivate, amplify and intensify the dispensations from Gautama on January 1, 1973 and from Apollo and the Solar Logoi on July 6, 1975: Release now, an increment of Light that is the seed of Alpha, a rod of cosmic illumination, to intensify the action of golden Christ illumination through the crown chakras in the Lightbearers of the world, turning around all Luciferian implants that have been superimposed upon us.

Lady Master Clara Louise, release the Torch of Illumination. Bless and illumine the world's children, and inspire and guide students everywhere. Expand Illumination's Flame over all schools, colleges, and universities of the world. Sarasvati, Goddess of Wisdom, encompass all art, music, poetry, literature, education, science and technology to inspire the Culture of the Divine Mother and the Golden Age.

I AM the golden victorious Light, the full-orbed flame of illumination from the heart of God that refuses to accept any concept of limitation concerning my eternal reason for being, here and now made manifest in the chalice of the present.

I AM the radiation of that victory which sweeps across the face of the earth, removing barriers by the power of faith that will not be denied its immortal birthright. I AM the flame of Illumination that sweeps all continents, awakening peoples of every walk of life from the lethargy and sleep of the ages to a vital, breathing awareness of the wisdom that transcends dogma, sense consciousness and personality functions.

O world, awake,
Your dusty selves now shake;
Purify and rectify,
New ways of thought to make! (9x)

AND IN FULL FAITH . . . (3x)

CALL FOR THE BINDING OF THE BACKLASH:

In the name I AM THAT I AM, in the name of the Christ, I call to beloved Archangel Michael for the encirclement and the binding of the backlash of the dragon's tail and the sting of the scorpion for calls made and services rendered. And I ask that all vacuums and vacancies created by these calls and services be filled instantaneously with the light of our Lord Jesus Christ, with violet flame, Ruby Ray fire and love's indestructible Ray of Purity.

We call to archangel Uriel to place your electronic presence over us and ask that every erg of misqualified energy being directed against us, and the light for which we stand, be consumed. We call for the reversal of the tide of this negative energy back to its source. Let it be done according to God's Holy Will. Amen.

HAIL MARY

Hail Mary, full of grace, the Lord is with thee. Blessed art thou among women and blessed is the fruit of thy womb, Jesus. Holy Mary, Mother of God, pray for us, sons and daughters of God now and at the hour of our victory over sin, disease and death. (3x)

SEALING OF THE DEMAG SESSION

Our beloved Father, we call to the holy angels who serve at Thy Throne of Grace to receive now, by the heart of our own Holy Christ Self, the full-gathered momentum of our prayer. Let this decree session to Saint Michael the Archangel and Beloved Mighty Victory be multiplied now by the immaculate heart of Mary, by the sacred heart of Jesus, by the purple fiery heart of Saint Germain, by the magnanimous hearts of Lanello and Guru Ma, the obedient heart of Godfre, the pure hearts of Saint Therese of Lisieux and all saints ascended, and the just and true and faithful and righteous hearts of all saints unascended.

In the name of the living Word, let our prayers be caught up in the very heart of the Cosmic Christ Lord Maitreya and be sealed in the very heart of Archangel Michael for use in those hours when loved ones and Lightbearers are in need of an immediate transfusion of Light and the protection of the Captain of The Lord's Hosts.

So let this reservoir of our decree session of Light in your heart, O mighty angel of the sacred fire, O beloved Maitreya, now be for the healing of nations, the protection of the Holy Church, the faithful and true witnesses, and the Ascended masters' activity on planet earth.

In the name of the entire Spirit of the Great White Brotherhood, I consecrate these hearts as chalices of the living Light of Archangel Michael and Beloved Mighty Victory. So it is done in the name of the Father, the Son, the Holy Spirit, and the Mother. Amen.^v

Praise the Lord, I AM THAT I AM, Sanat Kumara!
