

KARMIC BOARD NOVENA VERSION 23 – UPDATED WITH 55.00

12-26-23

“Now in His name, I command legions of light to march! May you take your leave also of the physical octave in sleep this night and participate in this march for world freedom. May you see and have the conviction, as your souls are taken up in these hours, of the conquering ones, the majesty, the honor, and the full power of the flame of peace to triumph over war.” –Beloved Uriel, PoW Vol. 256 No. 52

In the name I AM THAT I AM, in the name Jesus Christ, beloved Alpha and Omega, beloved Sanat Kumara and the Lords of Karma, I come before you to request dispensations for America, for all lightbearers and freedom fighters on earth, and for the earth herself.

In the name of Archangel Uriel, I draw “a circle of fire that is the circle of Helios and Vesta, and I stand with the forces of freedom for the defense of the light of Saint Germain, for the defense of world freedom, and for the defense of Light against all evolutions pitted against that Light and against one another. Therefore, let the laggard forces be bound and let the servants of light be set free!”

In the name of Archangel Uriel, I “stand in the Middle East for the judgment of the Nephilim gods who have usurped that land for more than half a million years and beyond, into the very mists of antiquity, to overturn the Light, even the promised Light that was sent.”

I call for the judgment of “Gog and Magog and all forces thusly pitted against one another to the death. Let them be *bound* in the name of the Lord Christ! I, [stand with] Archangel Uriel, speak it, and I have spoken it in the name of Helios and Vesta.”

“Let Gog and Magog be bound! And therefore, let their power be reduced and let their karma be upon them and let it be turned unto them—and let the blood of the prophets be required of them. For I am the mouthpiece of the judgment of the Cosmic

Christ. I say the lightbearers are raised up and these age-old rivals are put down by the hand of the Almighty.”*

In the name of Lord Morya El, Saint Germain and Mother Mary and by the authority of the threefold flame that burns within my heart, I demand the arresting of the spiral of war, nuclear war and all conditions that thwart the divine plan of God and of the Great Divine Director for this hemisphere and the entire world. Bind and break the debacle and the beast of war! War shall no longer be upon this planet!

Rise up, children of God! No longer allow your sons and daughters to be taken as sheep to the slaughter. Let the Christ within leap forth from the center of your being to declare the VICTORY and the PEACE of the ALMIGHTY—EL SHADDAI! Let fire from the Heart of God make it so, for the earth is the Lord’s and the fullness thereof!

Beloved Lords of Karma and beloved Portia, we bring these injustices before you:

- The courts in the United States refuse to hear election interference or fraud cases in the 2020 elections that would resolve once and for all whether there was cheating or fraud that changed outcomes, so that the division within the nation can begin to heal over this issue and God-Justice may be achieved.
- Individuals’ First Amendment rights have been violated by raids and prosecutions for speaking out on social media or in other venues for questioning the 2020 election results.
- Some protestors on January 6, 2021, at the U.S. Capitol have been given harsh sentences for minor or made-up crimes and have remained in prison for years without a trial.
- U.S. media and some government officials continue to put forth the fallacy that the January 6 protest was an insurrection when the FBI publicly announced their investigation found no evidence of such.
- Citizens with conservative views or views that do not align with the extreme left positions have been censored, threatened, attacked, and have even lost jobs.
- Citizens’ rights are being violated by forcing them to be injected with the untested and unapproved Covid-19 vaccine in order to attend school, work at their jobs, serve in the military or enter public places in spite of the fact that there have been thousands of documented cases of severe reactions, including deaths, as a result of the vaccine.

In the name Jesus Christ, we agree together on earth that the light of the All-Seeing Eye of God awakens the American people and citizens around the world to the plots and plans of the fallen ones and their embodied minions who are behind the unrest, insurrection,

insurgency, anarchy, and war, so that people are no longer susceptible to their divide and conquer tactics and rise up to become instruments for precipitating God's will on earth.

In the name Jesus Christ, we agree together on earth that all traitors within all levels of American government, elected or unelected, past or present, are exposed, convicted of their crimes and are prosecuted to the fullest extent of the law.

In the name Jesus Christ, we agree together on earth that all those at any level of government, elected, appointed or hired, who are not keeping their sworn oath to uphold the U.S. constitution, who openly defy Supreme Court decisions, who abdicate fulfilling their duties and responsibilities, and who have intentions to transform the government into a socialist, Marxist or communist country are exposed, removed from office or position, and are held accountable.

In the name Jesus Christ, we agree together on earth that all corruption is exposed and rooted out of every level of Law Enforcement, including the Department of Justice, the FBI, CIA, DHS, border control, state and local police; and all elected officials who refuse to prosecute crimes or repeat offenders and violent criminals, releasing them back to the streets are exposed, purged and held accountable!

In the name Jesus Christ, we agree together on earth that all sinister plots to manipulate and fraudulently rig our elections, past or future, are immediately exposed, and all involved are held accountable and prosecuted to the fullest extent of the law.

In the name Jesus Christ, we agree together on earth that a nationwide voter ID requirement is implemented; non-citizens are not allowed to vote in any election; mail-in ballots are only for those who request them and qualify; there is one-day voting with both parties overseeing the counting, recounting or validation of votes; and any cheating or fraud reported is fully investigated by law enforcement with those responsible held accountable.

In the name Jesus Christ, we agree together on earth that the youth of America and of the world are awakened to the spiritual path and cut free from the death culture of drugs, alcoholism, rock music, black magic, and witchcraft, idolizing rock musicians and attending their concerts that open the very pits of death and hell.

In the name Jesus Christ, we agree together on earth that the current administration in the United States is held accountable for deliberately abdicating its primary responsibility of keeping Americans safe by opening the borders of the nation to millions of unvetted individuals, allowing them to go wherever they choose within the country, losing track of thousands of minor children, providing free housing, income, medical care, while overwhelming our schools and medical facilities and risking the safety of American citizens.

In the name Jesus Christ, we agree together on earth that any government official, individual, or non-profit organization which is facilitating illegal immigration, colluding with or financially benefitting from the criminal cartels, and participating in or turning a blind eye to human and child trafficking, is exposed and prosecuted to the fullest extent of the law.

In the name Jesus Christ, we agree together on earth that God's miracle light through the Seven Archangels saves this nation America and freedom throughout the earth. Beloved Archangel Michael, with your magnificent blue lightning angels, protect America's sovereignty and stand with swords drawn at our southern and northern borders and all other ports of entry. Expose, bind and thwart within our borders any terrorist cells, unstable individuals, or those in alignment with enemy nations that wish to do us harm!

In the name Jesus Christ, and by the authority of the threefold flame that blazes within our hearts, we agree together on earth that there will be an immediate end to all funding going to all terrorist organizations on this planet. Bind all monetary assistance to these groups whether it comes from governments, the IMF, World Bank, 'deep state' slush funds around the planet or any other source. Seize, pin and bind, any spark on the world scene that could start WWIII! Immediately dry up any funds used for the purposes of harming human life through war or terrorist actions!

In the name Jesus Christ, we agree together on earth that for national security, this administration refills America's strategic oil reserves and returns to the policy of making America energy-independent again through the appropriate and ethical use of all of her natural resources, including fossil fuels and new and advanced technologies.

In the name Jesus Christ, we agree together on earth that the spiral of the death cult in America and the world is arrested; that all life is protected by law from conception to natural death; that all who participate in child abductions, pedophilia, sex trafficking, spirit cooking, Satanic practices that violate children and adults, and any crimes against humanity are exposed and prosecuted to the fullest extent of the law.

In the name Jesus Christ, we agree together on earth that Big Pharma and all medical and related institutions, teachers, parents, and activists who promote "gender affirming care," indoctrinating and encouraging children and teens to change their gender, performing life-altering surgeries or administering life-altering drugs are exposed as child-abusers and are brought to immediate justice.

In the name Jesus Christ, we agree together on earth that all elementals are freed from weather manipulation, weather warfare, curses, and hexes that trap them in destructive behaviors.

In the name Jesus Christ, we agree together on earth that a Golden Age Culture, a Golden Age Society and a Golden Age Economy manifest on planet earth!

I AM God's miracle this day! And I accept his miracle in me as the fullness of that proof of the love of the Father and the Son through the Mother and the Holy Spirit.

Lord Maximus, maximize Light and the action of our prayers! Multiply the judgment of love, multiply the resurrection, and multiply the preaching of the Word! It is so! Amen.
