Invocation of Alpha's Mantle and His Call (Long Call)

In the name of my Mighty I AM Presence and Holy Christ Self, I invoke the Mantle, Heart and Presence of Alpha, lent to me as a protection, as a sealing in the diamond-shining Mind of God, as a sharpening of faculties of mind and heart to convey the Word, the information, the spark of Alpha.

I invoke Alpha's dispensation of protection, the helmet of Mercury, the armor of Archangel Michael. In the name of Alpha, I authorize legions of Light who have come from far-off worlds, to turn back upon the evildoer, the evil system and the evil empire tenfold all viciousness sent forth against an unsuspecting world. In Alpha's name, I charge hosts Light, to restore the Mind of God in this people.

In the name I AM THAT I AM, I pledge to keep the flame in the earth, to seal it well, to pray for the defense of all Lightbearers, to go to all upon this planet who have taken their stand against World Communism and for defense and a strong strategic defense.

In the name of Alpha, I call incessantly for the judgment of Jesus upon those who usurp the Mind of God and trample upon the mental belt and the mental bodies of the people.

In the name of Alpha, I say, Ho, O world of Light! Ho, O world of Light! Ho, O world of Light! Let the crystal the star-fire clear the minds of a people, clear them from all programming from outer space, from aliens, from those incarnate and out of the pits of Death and Hell—programming by the rhythm of rock, by drugs, by all manner of misuse of the science of the Word.

Ho, O world of Light, expand throughout the nations! Ho, O world of Light, prepare, then, those who are of the Light for the coming of Alpha's own and Alpha's own vibration delivering unto them the mandate of Freedom!

In the name I AM THAT I AM, I call to my father Alpha for the turning around of the world and for the turning around of the Darkness therein to give opportunity to those who love Freedom, to those who love Justice, to those who will desire to receive the engrafted Word and a threefold flame, to all of goodwill who desire to serve the LORD God Almighty. Therefore, in the name of Alpha, I go forth on a mission sent from the Central Sun! I go forth to my destined purpose whence I came from Sirius. I go forth now to rescue the nation and the people. Let there be a sound defeating of World Communism that the oppressed might be delivered.

Oh hosts of Cosmos attend our call. Oh Spirit of Cosmic Freedom attend our call. Spheres of Justice of causal bodies offered attend our call.

16

By the call, by the sword, by the activism of the soul, by the spreading of the Word, let America survive to be a chalice once more of Freedom to the earth.

In the name I AM THAT I AM, I call to my father Alpha to position cosmic angels over the White House and the Capitol Building. From their hearts beaming to every representative great and small at the national, state and local level, let there be a ray of light of Alpha. Therefore, in Alpha's name, I say to you, one and all, submit to the will of God and to the Alpha Star of Being.
