

**For the Cosmic Christs to Descend over the President
and Our Representatives in Government**

Beloved Mighty I AM Presence from the living sacred fire, from the heart of God in the Great Central Sun, we call upon the legions of sacred fire and the four cosmic forces, Seven Holy Kumaras, beloved Zarathustra, beloved Chananda, and Ascended Master Enoch. We call for the seven planetary forces. We call for the invincible cosmic light. Descend now from the four cosmic forces through the mighty hierarchs: beloved Oromasis and Diana, Aries and Thor, Neptune and Luara, Virgo and Pelleur.

We call to Helios and Vesta, our own dear sun, the sun in the center of the earth, the sun of Alpha and Omega, the mighty causal body of Maitreya, Gautama, Sanat Kumara, Jesus and Kuthumi, Saint Germain, beloved El Morya, beloved Lanello, our own heart flame, the sun of our own Mighty I AM Presence, the sun of our own Christ Self, the sun of our own threefold flame.

Be a mighty instrument for the deliverance now, for the delivery of the sacred fire into the nation's capital, into the very hearts of those who represent this nation—namely the President, his Cabinet, the Judiciary, the Senators, the Congressmen and the Congresswomen. We call for the God-victory of the November 2004 U.S. elections and the candidates who represent the Ascended Masters' issues. In the name of beloved Surya, we demand the protection of these elections from any disruptions from internal or external terrorist attacks.

We call forth the Cosmic Christs now, each and every one, to descend over those who are participating in ongoing meetings of the National Security Council, the National Security Agency, the CIA, the FBI, the DIA,[†] the Department of Homeland Security, the House and Senate Intelligence and Foreign Relations Committees, and all other
