

In the name of the Cosmic Christ, Lord Maitreya **AND IN THE NAME OF OUR** Lord and Savior Jesus Christ: “We demand the invocation of the Christ within every child upon this planet **and in God’s name we say:**

OUR banner IS raised! OUR banner IS raised! OUR banner IS be raised!

WE refuse acceptance of the powers of darkness that create murder and mayhem in the world. We refuse acceptance of the powers of darkness that, as demoniac forces, radiate the lust of imperfection in the world by the greed of selfishness.”

I AM the resurrection and the life of the full perfection
of the divine plan of earth and her people fulfilled—now made manifest! (3x)

We, **AS** one body **IN** God upon earth declare: The Good Friday spell **IS** broken, and the fruit of Easter morning will be the resurrection. **WE DEMAND** the surge of cosmic power toward regeneration **AND DECLARE THAT** all of the darkness of the night and the toil that mankind at times **experience** through illusion, **PALES INTO NOTHINGNESS UPON** the dawn **THAT** cometh.”

Shatter! Shatter! Shatter! the anti-Grail of the Good Friday spell.
Shatter it on the planetary scale! Shatter it now! (3x or 9x or 12x)

In the name of Almighty God, I call to the angels of initiation that are with me to convey into the world of form the beauty of holiness, the love of God, the power of brotherhood, and the sustainment of the torch of freedom.

O Spirit of the Resurrection, **BLAZE** in these thy children!
O Spirit of the Resurrection, consecrate **OUR** lives anew!
O Spirit of the Resurrection, make them many, not few!
O Spirit of the Resurrection, love **US** free!
O Spirit of the Resurrection, expand, expand in thee!
Peace to the world,
Peace I give.
Peace to the world,
By peace I live.
Peace to the world—
And freedom, too,
For the many, and not the few.

I call to my own beloved “I AM” Presence and the entire Spirit of the Great White Brotherhood for such a power of the violet consuming flame and resurrection’s **FLAME** as has never come to earth before, to sweep constantly through all destructive etheric records, especially those which have to do with “Holy Week” and the causes and cores of all its distressing memories, thus completely dissolving them forever. Let these be replaced by the joyous feelings of the truth of Jesus’ revelation of the eternity of God’s life—his gift to all!

I accept it done by the authority of Lord Zadkiel and the priesthood of the Order of Melchizedek.
So, it is done in thy name O God, forever and forever and forever. Amen.

DECREE 10.21: THE MIGHTY CIRCLE OF VICTORY

I AM the Spirit of Mighty Victory incarnate! (3x)

In the name I AM THAT I AM ELOHIM Saint Germain, Portia, Guru Ma, Lanello
Padma Sambhava, Kuan Yin and the Five Dhyani Buddhas
In the name I AM THAT I AM SANAT KUMARA Gautama Buddha, Lord Maitreya, Jesus
Christ
OM VAIROCHANA • AKSHOBHYA • RATNASAMBHAVA AMITABHA • AMOGHASIDDHI •
VAJRASATTVA OM

O beloved MIGHTY COSMIC BEING VICTORY, who came to earth in the 1930's at the request
of our beloved Saint Germain:

I call forth the light of God that never fails! (3x)

O Blessed Tall Master from Venus, your Blessed Twelve and your Limitless Legions of
Cosmic Victory, we, the body of God upon terra, join our hearts with your invincible flame of
Victory, as we command you, in the name of the Risen Christ, to roll back all curses, spells,
incantations, hexes, and matrices of darkness; and break, once and for all, the planetary spell of
Good Friday, the deadly spell of black magic disrupting the unity and oneness of the
Lightbearers of planet earth.

Saint Germain, hurl! your mighty miracle pouch! (3x) to break, once and for all, the planetary
spell of Good Friday. (3x)

We pray each and every child of God's heart might be engrafted to the Living Word, so we will
not again flee or disperse, but will 'hold the line' in the mandala of oneness for the victory of the
Great Golden Age on Terra. This is the hour of victory! We summon it and accept nothing less!
And, thus, we affirm with Lanello:

Behold, I AM everywhere in the consciousness of God!

Behold, with Jesus, I AM alive forevermore! Death and Hell have not touched
me at all, for I AM the God-victorious one, as Above so below!

My I AM Presence with me is the power of attainment that overcomes every foe
of the Christ on earth. I take my stand on earth and I make myself the
instrument of flood tides of Light, of victory in Christ!

I AM the victorious sense of Mighty Victory!

I AM the victorious sense of Mighty Victory!

I AM the flame of Victory in action!

I AM the flame of Love unto the last.

I AM with Christ in the beginning and in the ending.

Lo, I AM where I AM in my very heart—Alpha and Omega—I AM the bearer of
the Body and Blood of Christ.

I AM truly the burden-bearer of the LORD. I bear his Light and his Light
swallows up the burden of earth as world karma.

I stand and I still stand! For I AM THAT I AM, and I know it! I AM it! I feel it! I
think it! I work it in action physically in me.

Lo, I AM the Victory of the Light where I AM, here and now!

Victory! Victory! Victory!

By the power of Brahma, Vishnu, and Shiva, I AM Victory in the earth, and I AM
pressing that Victory into the very earth beneath my feet, beneath that soil and
under the earth—all the way to the very white fire core!

I AM the Victory in the earth.
I AM the Victory in the air.
I AM the Victory in the water and in the fire.
I AM Victory!
I AM the Victory of the Light of the Resurrection Flame!
I AM Victory all the way!
I AM the Victory of this job!
I AM the Victory of this work of my hands!
I AM the Victory of the Mind of God in me to figure out the Way and make it plain for others.
I AM the Victory, by the Mind of God, in all that I must do this day to bring God's kingdom on earth as it is in heaven.
And the I AM in me is the Victory!
My Mighty I AM Presence is the Victory!
Mighty Victory in me is the Victory!
Mighty Victory is where I am. I cannot fail, for God is with me now.
I AM Victory! I AM Victory! I AM Victory!
And I roll back defeat! I roll back failure! I roll back Death and Hell!
And the mighty circle of Victory on planet earth shall begin in the dot in the center of our circle, and it shall press out from the very heart of the One who has sent the Messenger, from the very hearts of those who are sent by the Messenger.
And the circle will widen, and it will widen its borders through the hundred and forty-four disciples that one day become the hundred and forty and four thousand.
And therefore the circle of Victory shall be wider and wider and wider until it shall take in the whole earth and naught shall be left except the flaming presence of Victory!
I AM the center of that Victory. I stand in the center of Christ, and Christ in me is the center of my Victory and I AM one and we are whole. I abide in him and he in me.
I AM Victory, I AM Victory, I AM Victory! I AM the Victory of the Resurrection and I AM the fullness of its power here and now.

Behold! I AM Everywhere in the Consciousness of God!
So be it! Amen.

I AM, I AM, I AM intensifying pure love, unselfish love, wisdom and power, and the action of the rainbow rays and the secret rays in concentric spheres surrounding the Community of lightbearers on earth and the Community of the Holy Spirit until the heart of man becomes the heart of God in the earth for the bringing forth, sustaining and expanding on earth world *brotherhood*.

Out of the One,
Thou, God, hast spun
All of the races of men.
By thy great Law
Do thou now draw
All to their God Source again.

Take away hate;
By love abate
All mankind's vicious intent.
Show thy great pow'r
Every hour
Of love and compassion God sent.

I AM, I AM, I AM
Divine love sending forth
The wonderful feeling of true divine Healing,
Unguents of Light now sealing
All of the schisms of men.

Stop all division!
By God-precision
Love is the hallowed law-key.
Ultimate peace,
Make all war cease,
Let the children of men now go free!

Stop mankind's friction,
All their predictions
Tearing bless'd heart from heart.
By God-direction
Produce now perfection
In thy great family—one heart. (3x)

I claim this earth as the LORD's and the fullness thereof... I AM the awareness of the all-oneness of the body of God, as above, so below. And I declare that I AM the multiplication of the body of God upon earth! And proclaim for all time, we are one!

According to God's Holy Will, we ask that this be done right now with full power, eternally sustained, all powerfully active, ever expanding and world enfolding, until all are wholly ascended in the light and free.

Beloved I AM, Beloved I AM, Beloved I AM.
