

**A CALL TO ACTION:
LOOSENING THE HOLD OF EVIL ON PLANET EARTH!**

**Lightbearers of the World Unite!
Join in a Spiritual Labor for the preservation and expansion
of Planetary Freedom**

Dear Warriors of the Spirit,

This is a plea—*A Call to Action*—a call for the lightbearers of the world to unite to overturn evil—to join in a simple spiritual labor using the power of the spoken WORD to lift a heavy, heavy weight that was brought to earth by certain laggard scientists many eons ago, that can and must be removed from the earth.

Some may ask: What is a Laggard? And why would we want them removed from the earth? Critical issues related to the laggard evolutions were dealt with many eons ago, even before recorded history... And now we see the writing on the wall. The writing, that mankind must understand, must learn a lesson from cosmic history, as history is truly repeating itself.. We speak of Maldek and its laggard evolutions and their control grip on our earth... The masters have revealed the lost teaching of the laggards that we might understand in this day and age the true nature of the battle that lies ahead.

The 'battle' to bring our earth *from darkness unto Light*...

This is most easily accomplished by using what the Ascended Masters have put in place. They have given us some very powerful and relevant spiritual tools to tip the scales in our favor, giving us the ability to win the final battle of darkness and Light here on earth. And to this end, our beloved Helios, released an incredible dispensation in 1960 through the Messenger, Mark Prophet. Remember, a dispensation is a grant of energy that we can use to fulfill our mission and serve others on this planet who need this energy. Our Lord of the Dawn speaks...

"I, [HELIOS](#) [God of this solar system abiding in the very heart of the physical sun], grant by the power of the Solar Logos, the "Word" of God, an eternal fiat, declaring this day May 17, 1960 that a new dispensation is given to the people of earth in Mighty "Victory's" name, **to assist the earth in attaining cosmic liberation from self-created discord and bondage so that the fealty of eternal happiness may take possession of the minds, worlds and affairs of mankind, producing perfection and sustaining civilization's great light during the coming golden age** whose presently approaching "glow" shall now expand limitlessly to the glory of the Eternal Father!"

-Helios' Dictation, A Cosmic Dispensation, May 27, 1960; PoW v3n22

So, in the spirit and flame of our beloved Helios, we have chosen to take action. We wish to inform you about a recent initiative to face these challenges; extending an open invitation for any Lightbearer with interest in applying the Science of the Spoken Word that you might give some of your time and energy to call for the loosening of the hold these evil forces have on our planet.

Please join us.

Yours in the Victory of the Light...

COSMIC DISPENSATION FROM BELOVED HELIOS

To Assist the Earth in Attaining Cosmic Liberation from the Discord of The Laggards

Lord of the first ray, EL MORYA, June 3, 1960, declared, *“that in my humble Ascended Master opinion beloved Helios’ current dispensations represent the finest opportunity to make things right here on earth that has come forth in at least two thousand years! ...Not since Atlantean days no such opportunity has been granted!”* [Pearl of Wisdom, Vol. 3 No. 23]

Our beloved SAINT GERMAIN told us, June 10, 1960: *“How precious a dispensation beloved Helios and Vesta have given! This is the long-called-for light of a thousand suns from the radiance of millions of Cosmic Christs who now in answer to your calls have descended and will remain until life’s perfection is restored to all. What a cosmic victory is sent to earth! All who grasp the significance of this grant and are serving as channels must sense that victory which is literally flooding the world and all mankind.”* [Pearl of Wisdom Vol. 3 No. 24]

INSERT 1 - BELOVED HELIOS’ DISPENSATION TO ASSIST THE EARTH IN ATTAINING COSMIC LIBERATION FROM THE DISCORD OF THE LAGGARDS...

[taken from Helios’ Dictation, A Cosmic Dispensation, May 27, 1960; PoW v3n22]

In the name of my Mighty I AM Presence, beloved Helios and Vesta, by the power of the Solar Logos, the “Word” of God, in Mighty Victory’s name, and by the power and in the full cosmic authority of the GODHEAD which beloved Helios is—I call for the **REACTIVATION** of the dispensation of Beloved Helios announced on May 27, 1960 to **LOOSEN THE HOLD OF THE “LAGGARDS”** and secure the

blessing of **FREEDOM** to all earth's posterities, in order also to anchor the spirit of **LIBERTY** which is victor over "every form of tyranny over the mind of man!"

I ask that my participation in this dispensation assist the earth in **ATTAINING COSMIC LIBERATION** from self-created discord and bondage so that the fealty [*FEE-uhl-tee*] of eternal happiness may take possession of the minds, worlds and affairs of mankind, producing perfection and sustaining civilization's great light during the coming golden age! I apply my heart to my own God Presence "**I AM**" and ask that **I BE MADE A DIVINE CHANNEL** through which the power and presence of one or more of the Universal Christs located on other systems of worlds shall flow during hours of sleep or even consciously as the Great Law directs! I ask that I shall promptly and without delay be vested with Helios and Vesta's power in accordance with the cosmic law in order to enable these Christs to anchor their radiation and presence in my physical, thinking, feeling and memory worlds so as to provide a means whereby a Cosmic Christ can be assigned to each "laggard" on this planet individually in order to help control the spread of discord and transmute their thoughts and feelings to love for the Light!

I ask that many million Cosmic Christs will use the "coaxial" cable of my volunteering consciousness as a means to reach those of whom Jesus said, "Father forgive them—they know not what they do!" Let my service be without limit as to time and place, continuing to function as an activity of divine love until all "laggards" are—with the earth itself—at last FREE!

I demand this physically manifest! I expect this physically manifest! I AM this physically manifest, manifest, manifest! In all the flaming perfection of the Cosmic Christs of other spheres, now and eternally manifest! Helios has spoken and so be it! I accept it done this hour! And I give praise and gratitude for this is sacred opportunity... an opportunity that ought not to be taken lightly or forgotten... Amen.

Mount Lhotse, high peak of the Himalayas

A DISPENSATION FROM LORD HIMALAYA

The Laggards Have Brought a Heavy, Heavy Weight to the Earth—Which must be lifted

“Enough is enough... I assign you... to enter into a labor whereby you call for the binding and the judgment of laggard evolutions whose time is up, who have defied God, who have been obscene before his Presence and have no desire whatsoever to attain everlasting life. ...These [laggard] evolutions have had their opportunity. They shall be removed to other planets and other systems where they can make a go of life if they will. ...for their weight is critical. It is critical, beloved, because it can tip the scales toward darkness if these particular lifestreams are not removed. A place is prepared for them and therefore they may continue at their pace. ...thus, beloved, this is a dispensation that the tribes in the earth who have mourned, mourned the coming of the laggards, have waited for, for centuries upon centuries. This day and this hour is come.” [Pearls of Wisdom, Vol. 47 No. 1]

INSERT 2 - LORD HIMALAYA'S DISPENSATION WHEREBY CERTAIN LAGGARD EVOLUTIONS CAN AND MUST BE REMOVED FROM THE EARTH

In the name I AM THAT I AM, in the name Brahman, I call to Sanat Kumara and to the thirteen archangels to send millions of legions of angels to take command of our earth: Let there be a staying action by the power of God Helios, the Lord Christ and the Solar Logoi, preventing by the Right Hand of Almighty God, the attacks and conspiracies of death and hell upon the lightbearers, worlds without end. Hold back the sinister force assailing lightbearers, and the destructivity wrought by all who are of the anti-Light.

Now the Great Law has turned and the cycles have turned and the universe has opened. The time of accountability is upon us, and I affirm in the name of Almighty God and the great Lawgivers, Lord Himalaya, Vaivasvata Manu, God and Goddess Meru, and the Great Divine Director that the time of karma dodging has come to an end! We, the Body of God upon earth, with Almighty God declare: *“Enough is enough!”* Free terra from the laggards whose time is up, who have defied God, who have been obscene before his Presence and have no desire whatsoever to attain everlasting life.

Remove those laggard evolutions who have had their opportunity, who are weighing down the planet, who can—and must—be taken from the earth to the place prepared for them on other planets and other systems where they can continue at their pace, where they can face the opportunity to live, to embrace God, and seize this opportunity to escape at the final judgment the second death at the Court of the Sacred Fire. Liberate planet earth from the weight and burden of these fallen ones! Remove those from the earth who could tip the scales if they remain! Lift and dissolve the heavy weight that they have brought to earth—the weight of their engines of war, their misuse of technology and their pursuit of only materialistic science.

May the Almighty have mercy on their souls and ours. Let it be according to God's holy will. Always Victory! Amen.

Arresting the Spirals of Karma for The Salvation of The Planet

*“The writing is on the wall. History repeats itself; hence mankind must learn a lesson from cosmic history. I would speak of Maldek and... I say to you then, Hierarchy is concerned this day that these same races, these same two groups of laggards now embodied and centralizing their energies in the Middle East, are coming together for that confrontation—the same confrontation which they had on Maldek. ...**You have the authority to challenge those who take the precious holy innocents to the slaughter, to the battlefields, in a continual round of killing that amounts to nothing—absolutely nothing—in the sight of the Karmic Board.** You have this authority by the power of the Christ that is in you; and in the name of Jesus the Christ, you may give the commands of perfection that will allow us to enter in and do the perfect work which is so necessary in these troubled times.” [Beloved Great Divine Director - February 3, 1974; Pearls of Wisdom v17 n5]*

Insert 3 - THE GREAT DIVINE DIRECTOR'S FIAT FOR THE ARRESTING OF SPIRALS OF NEGATIVE KARMA [adapted from decree 0.09A Copyright © 1977 Church Universal and Triumphant]

In the name of my Mighty I AM Presence and the Great Divine Director, in the name Jesus Christ, I demand and command the arresting of the spirals of the entire momentum of world karma of the laggards and their evolutions—that every single cycle of every single cell and atom within planet earth that is not outpicturing the perfect cycles of the Christ consciousness be now dissolved, be now arrested and turned back by the authority of my God Presence! Lift and dissolve the heavy weight that these laggard evolutions have brought to earth—the weight of their engines of war, their misuse of science and technology and their pursuit of only materialistic science and not the science of the Spirit. And in the name Jesus Christ, I demand and command that the cycles of immortal Life and the Divine Design of planet earth and my Divine Plan be fulfilled and that my ascension prevail!

So be it. It is done. It is finished. It is sealed.

The zeal of the Lord will perform it! (3x)

In the name of Almighty God, Lord Maximus, maximize the action of our prayers! Amen.

A DISPENSATION TO ATTEND THE ROYAL TETON RETREAT
Ancient Records of Civilizations and Cultures Which Long Ago Have Gone Down...

“The Royal Teton Retreat, congruent with the Teton Range near Jackson Hole, Wyoming, is the principal retreat of the Great White Brotherhood on the North American continent. Confucius is the hierarch of this physical/etheric retreat in the Grand Teton mountain. This retreat is an ancient focus of great light where the seven rays of the Elohim and archangels are enshrined.” [TSL Ascended Master Encyclopedia]

“The Royal Teton Retreat is the most important retreat for newcomers and a very good place to start your conscious experiments with journeying to the retreats. Some have asked what happens if they live in a different time zone and they are awake while others are asleep and visiting the retreats. Will they miss their classes? The answer is no. The retreats operate twenty-four hours a day in another dimension of time and space. You may wish to keep a notebook by your bed and write down impressions or ideas that come to you on waking.” [https://www.summitlighthouse.org/ascended-master-etheric-retreats-soul-travel]

Father, into thy hands I commend my spirit.

Mighty I AM Presence and Holy Christ Self, I call to Archangel Michael and his legions of blue-lightning angels to protect and transport my soul, clothed in her finer bodies, to the retreat of the ascended masters Confucius and Lanto at the Royal Teton Retreat, congruent with the Teton Range near Jackson Hole, Wyoming, this night. I pray I am allowed to enter the record room of the Grand Teton to remember and learn about the history of the ancient records of civilizations and cultures which long ago have gone down, which remain on pages of gold....

Escort me, instruct me, guide and protect me as I work to set free all life on earth. I ask this be done in accordance with the holy will of God.

THE ROLE OF THE LAGGARDS IN OUR COSMIC DRAMA

A stark reminder of what can happen when a people forsake their God

These laggards constitute one of the more intransigent forces of evil on earth. They are called laggards because their lifestreams are lagging behind in their spiritual evolution wherever they have embodied.

These laggard evolutions come from other planets such as Maldek, Hedron, the Twelfth Planet and certainly many others.... Maldek, once a planet in our solar system, was destroyed when its lifewaves waged a war ending in nuclear annihilation. A remnant of those souls came to Earth and have continued reembodying here. All that remains of this tenth planet of our solar system is the asteroid belt between Mars and Jupiter.

A stark reminder of what can happen when a people forsake their God....

THE LAGGARDS' ROLE

In The "Fall of Man" From His Original Edenic Estate

On May 20, 1960, the Beloved Great Divine Director a member of the Great Karmic Board of Spiritual overseers for this system of worlds delivered a dictation through the messenger Mark Prophet summarizing the situation we find ourselves in, at this moment in cosmic history.... The following is an excerpt of his message....

The [Beloved Great Divine Director](#) speaks—

"May I convey to you now today—first—my love? The confusions of mind which so many dear hearts feel from time to time when face to face with the seeming sharp differences of the appearance world is well understood by me.

So often, fear plays a villainous role in blocking the full acknowledgment of TRUTH by some individuals.

Naturally, most believers are ever so sincere in wanting to do the will of God, as best they understand it. It is a little difficult for them, however, to accept ideas which are in conflict with long-established principles which they have been told are so from early childhood. Much of mankind's so-called religious truths are purely theoretical, yet these are so often referred to as absolute—being simply based on tradition received from parents and handed down therefrom, remaining unproven from personal experience in the life of either parent or child!

Another fact which stops mankind from accepting much of the deeper laws of life is the question of popularity! It is presently so often considered unpopular to accept the deeper laws of life, which are considered strange, not yet being accepted by the masses. This was so in the early days of the Christian dispensation when it was extremely unpopular to be a Christian. Today Christianity is quite popular, but the seeker who is not satisfied with every explanation of orthodox authority is often ostracized almost as in the old days, and the deepest seekers are sometimes accused of being followers of the powers of darkness (and given other equally unpleasant labels).

...Many of the truly great truths which are declared in the mighty law of the I AM Presence as it is written on the golden leaves in the magnificent records located in [the record room in the Grand Teton retreat in Wyoming](#), have never been universally accepted—as is intended—for some of the foregoing

reasons (see call below to request to be taken to this Record Room in your finer bodies while you sleep to learn more – [LINK TO CALL](#)). So few realize that only the truth which is applied in a very practical way in the affairs of daily thinking and living is really assimilated and taken up as a credit by your own causal body for safekeeping as the treasures of heaven!

[The Great Karmic Board](#) has long recognized the problems in reaching mankind and communicating with them in accordance with cosmic law. ...We have long awaited deliverance for and on behalf of mankind. Now at last we can by cosmic law reveal grants (dispensations) which are both new and which herald to the mankind of earth the mounting pressure of love from the heart of [beloved Helios and Vesta](#) (The God Parents of this solar system).

As you may know, long ago this dear planet Earth and her lovely people offered to be host to lifestreams from other planets and systems of worlds who were considered laggards because they misused their free will, determining to resist the tides of cosmic evolution. These [Laggards](#) refused to keep pace (or keep up) with the spiritual advancement of their own planet and its people in accordance with the God-design provided for their world. They preferred to function in the field of separate, self- and personal control of their own energy; preferred also credit and honor for accomplishments, and domination over others rather than obey the universal law of love by praising the common source of the good of all.

The Cosmic Councils—having the responsibility of securing acceptance of these lifestreams by the councils of earth and the solar system—were convinced that the lovely state of Eden would serve to inspire these laggards and help create in them a desire to take up their development where they had left off. (Many of these came from worlds of advanced and exquisite design and were therefore very fair to look upon outwardly.)

The early Sons of God—who enjoyed the God-liberty of the golden age then manifesting, chose to take the fairest of these laggards as members of their own family in order to propagate the external “fairness” which they desired at that time to imitate, thereby introducing shadow and pain to the otherwise God-pure strain of early mankind. **Thus, in part, is the “fall of man” from his original Edenic estate recorded!**

As you know, by cosmic law no one can act vicariously for another in complete expiation of their mistakes, for all must meet the fruit of their own sowing as either blessing or curse. (This is part of the meaning of God’s word to Adam in first Genesis—“cursed be the ground for thy sake”—meaning “the natural world has imposed upon it a curse by reason of your mistake.”)

Only by the violet fire of freedom’s love and forgiveness can mankind’s individual or collective mistakes be transmuted by him to set life free.

[LINK TO OUR SECTION ON VIOLET FLAME AND DECREERING](#)

...All avatars and Christs have universally proclaimed to men the way, using their life energy to declare that each man was given life through the Light of his own Holy Christ Self and must follow its way of purity, living by the Law of his inner being. **Only in this century, however, have mankind in the outer world been given the marvelous law of the tube of light and violet fire. Now, how shall men escape their self-created bondage unless they avail themselves of these great implements of opportunity?**

Right now today in May 1960—because of the world confusion, both religious and secular; because of the surge of incoming lifestreams and the impending threats of war among mankind—the **Karmic Board has renewed its long search for a means within the Great Law whereby the law of freewill would not be altered—yet the masses of mankind could attain some measure of liberation from human thralldom and eventual complete freedom from the influence of the laggards** (all the while still assisting them—the laggards—to their freedom as was originally intended.)

In view of all the foregoing, I joyfully tell you that sometime ago a kind, earnest, unascended physician, with intense inner love and foresight, petitioned the Great Karmic Board concerning the responsibilities of those worlds from whence the laggards originally came. **He believed they should presently retain some responsibility and accountability for the laggards and that earth and earth's people should not bear it all.** Now there were many angles to this dear one's petition, though the cosmic law does not permit me to tell all at this instant. (I hope someday we can.) Beloved [Ascended Master] Hilarion, however, was so pleased with this petition that he championed it while it moved like a bill before your Congress through almost a maze of cosmic councils.

After much inner-level consultation and appeals, our lovely Lord Helios and his blessed consort, the lovely Lady Vesta, have at last given us not one but two cosmic decrees (dispensations) in answer to this original petition born from one of earth's own hearts! These decrees ought to have such intense and far-reaching effect as to bid fair to give earth her freedom more quickly than any can even dream of!

...O, thou Light most excellent! Thou great mirror of the eternal plan which reflects no shadow but only dazzling Light, enfold all who read these words in the flame of love from their own God Presence, let nothing human interfere! Thou wondrous I AM speaking from the heart of the sacred fire, blaze thou the diamond determination in those who read to call upon the eternal anchor of their own silver cord of Ascended Master light substance to draw forth such perfection as has never before manifested in their outer worlds of expression! Truly I AM the Light of all the worlds!"

Peace be unto you my children.
The Great Divine Director.

ENOUGH IS ENOUGH...

The Heavy, Heavy Weight of Earth Brought by the Laggards Must Be Lifted

Beloved Lord Himalaya is the sponsor of the fourth [root race](#), and is the teacher's teacher... having taught many, many masters.... Lord Himalaya maintains a retreat in the etheric plane over the Himalayas; it is called the Retreat of the Blue Lotus. There he focuses the masculine ray of the Godhead for the planet. The gentle radiance of Himalaya can be felt throughout the East as a tangible presence drawing the pilgrims of all nations into a divine awareness of the flame of the blue lotus.

Lord Himalaya speaks from his dictation in 1995 where he released a dispensation whereby certain laggard evolutions can and must be removed from the earth, "I speak to you, then, of the coming of aliens to this planet—those who are called extraterrestrials, those who have come accompanied by

fallen angels and demons. You have seen them enter. You have seen them pull down the evolutions of Earth. And the pity of it all is that some of you have been pulled in their direction and continued in their direction, not recognizing that you originally were never a part of these that have come from other planets such as Maldek and the Twelfth Planet and certainly many others.³ These visitors are not welcome, for the most part. For though they may be benign in a sense of the word, yet their goal is not union with God but to be worshiped as demigods themselves.

Thus, what is the point, beloved? Yes, indeed, what is the point—to want to conserve oneself in a physical body or quasi-physical body forever and forever? Is that not odd that there be some who should just as well wander the galaxies as to find the very heart of hearts of the creation, to merge with it in the planes of nirvana and to spiral upward and backwards into the point of origin of being? These visitors, beloved, are not the creation of Elohim, for the most part. Therefore they come to steal the genes, the very essence, the life essence, of those who are the creation of Elohim.”

“Enough is enough. These evolutions have had their opportunity. They shall be removed to other planets and other systems where they can make a go of life if they will.”
