

of Karma and the hosts of the LORD.

Mighty seraphim with beloved fiery salamanders, blue-lightning and violet-flame angels: *march* now—north, south, east, and west—across this nation's capital! *Burn* through to the very cause and core of all spy activities, all forces moving against the great Spirit of Freedom and against the God of Freedom to the earth and his emissaries in physical embodiment!

Beloved Saint Germain and Portia, we *demand* the mighty insulating action of the sacred fire—from the heart of cosmos, from the heart of the Cosmic Christs—over the divine office and mantle of the president of the U.S.A., over President [Bush], over all those who are members of the National Security Council, all of their aides and assistants, all those responsible for assembling information and facts vital to decisions on the response to this attack.

Blaze forth the light of the all-seeing eye of God over this nation's capital! We demand the right hand of Almighty God over the Capitol building now.

In the name of the Father, the Son, the Holy Spirit, and the Mother, we call to the seraphim and fiery salamanders to carry the mighty fervor of our heart, our Mighty I AM Presence, the entire Spirit of the Great White Brotherhood, the Fourteen Ascended Masters who govern the destiny of America to the people of America and the world.

Now come forth, O legions of seraphim, fiery salamanders, and angels of the seven rays, and burn through! Consume the cause and core of all hatred of America, all movement against this nation and, specifically, every plot and subterfuge, all that is known and unknown concerning this terrorist attack on America. *We *demand* the action of the sacred fire! (3x)

In the name of Jesus Christ, we demand that the Mighty I AM Presence and causal body, the light and Universal Christ of all victims of this attack and all individuals involved go into the cause and core of this heinous crime and *bind those murderers by the hosts of the LORD! (3x)

We demand the action of cosmic justice from the heart of
