

**110.03 Forgiveness for Every Lightbearer Willing to
Make a True Sacrifice for Freedom for America**

Beloved Mighty I AM Presence from the heart of the Great Central Sun, beloved Kuan Yin, beloved Portia and Lords of Karma, we call upon the law of forgiveness here and now for all wrong and injustice, discord, and inharmony that has ever transpired between ourselves and any other part of Life.

We demand the consuming of the cause and core of all conditions surrounding our chakras less than the pure white fire of Alpha and Omega, less than the pure disc of peace from the Elohim of Peace, of the Great Causal Body of the God Harmony.

We call now: *Seal! seal! seal!* these lightbearers! *Seal* every Keeper of the Flame! *Dissolve* now and transmute all residual misqualified substance! *Cast* it into the sacred fire and into the violet flame! Beloved Saint Germain, we would be your very best instruments this weekend. We call upon Keepers of the Flame worldwide to join us now, at inner levels, from the level of their souls.

In the name I AM THAT I AM, I *cast* into the violet flame every wrong and hurt and injustice *now!* I *cast* it, in the name of every Keeper of the Flame, in the *name* of the silent and spoken Word of every soul gathered here, every lightbearer on earth who is willing to make a true sacrifice for freedom for America.

Blaze the violet flame, beloved Saint Germain!

Blaze the full power of the ruby ray!

Blaze the full power of the sacred fire from the heart of beloved Serapis Bey!

In the name of Jesus Christ, in the name and by the authority of our own Christed being, in the name of our very own soul, we surrender and sacrifice upon the altar of Liberty, upon the altar of America, every dissonance, disorder, and discord that may be lurking in the folds of our garments (chakras and auras), every irritation, every criticism, condemnation, and judgment.

Burn through, and let the Cosmic Christ consciousness so saturate our being and world now that all discord that is coming
