

# *The Victory Way of Life*

## A Dispensation of the Flame of Victory!

“Hail, O mankind of earth!

“I AM come from Venus, our lovely star, to speak to you of your victory ...

“You will appreciate, then, that solemn moments and joyous moments conspire to bring about meetings of the Brotherhood all over the planet on behalf of victory for the earth and her evolutions.

“Do you realize when you summon the *power of light* to your cause and say to the light, “*I wish to make my ascension. I wish to have my freedom as soon as possible,*” that you actually set in motion a great cosmic law that will assist you to

your victory? Well then, precious ones, do you see how important it is that you do not further delay making this resolution?

“Precious ones, I say to you now and always, accept your victory, love your victory, feel your victory, be your victory, know your victory, and declare it by saying:

***I AM my victory fulfilled right now by the power of the three-times-three and by the power of the sacred fire, worlds without end.”***
