of the God Star Sirius in Washington, D.C.

Beloved Alpha and Omega from the heart of God in the Great Central Sun, I demand the action of the sacred fire. I call for the full power of the four cosmic forces, beloved Helios and Vesta, the Four and Twenty Elders, the Fourteen Ascended Masters who govern the destiny of America. I demand the action of the sacred fire. *Descend* now upon the altar of our hearts! *Descend* now into this sanctuary! Blaze forth the light of ten thousand suns!

In the name I AM THAT I AM, in the name I AM THAT I AM, in the name I AM THAT I AM Sanat Kumara, Gautama Buddha, Lord Maitreya, Jesus Christ, *clear* the way for the light of Victory here! *Clear* the way for the light of Victory in the Rotunda of the Capitol! *Blaze* the light through! *Blaze* the light through the nation's Capitol and the mighty heart flame of the Goddess of Freedom! *Blaze the light through! (3x)

I call for the anchoring in this city here and now of the full power of the God Star Sirius. Beloved Mighty Surya and Cuzco, *descend* now, in the name of Saint Germain! Descend now into my heart and *blaze* forth the light of beloved Surya and Cuzco in the Immaculate Heart of the Guru and the Chela!

I call for the blazing forth of the will of God and the full power of the Great Central Sun *here and now* in this mighty first-ray chakra of America.

Blaze forth the blue ray of our beloved El Morya! Beloved Archangel Michael, beloved Lanello, *blaze* forth thy light! *Blaze* forth thy light! *Blaze* forth thy light!

In the name of the Goddess of Liberty, in the name of the Father, the Son, the Holy Spirit, and the Mother, Amen.

For the Cosmic Christs to Descend over 110.01
the President and Our Representatives in Government

Beloved Mighty I AM Presence from the living sacred fire, from the heart of God in the Great Central Sun, we call upon the legions of sacred fire and the four cosmic forces, Seven Holy

Kumaras, beloved Zarathustra and Ascended Master Enoch. We call for the seven planetary forces. We call for the invincible cosmic light. Descend now from the four cosmic forces through the mighty hierarchs: beloved Oromasis and Diana, Aries and Thor, Neptune and Luara, Virgo and Pelleur.

We call to Helios and Vesta, our own dear sun, the sun in the center of the earth, the sun of Alpha and Omega, the mighty causal body of Maitreya, Gautama, Sanat Kumara, Jesus and Kuthumi, Saint Germain, beloved El Morya, beloved Lanello, our own heart flame, the sun of our own Mighty I AM Presence, the sun of our own Christ Self, the sun of our own threefold flame.

Be a mighty instrument for the deliverance now, for the delivery of the sacred fire into the nation's capital, into the very hearts of those who represent this nation.

We call forth the Cosmic Christs now, each and every one, to descend over those who are participating in ongoing meetings of the National Security Council, the National Security Agency, the CIA, the FBI, the DIA,[†] the House and Senate Intelligence and Foreign Relations Committees, and all other members of this government and representatives of the people who must be united in one voice, in one heart and mind for the victory of the Light and the turning back of terrorism, of world totalitarian movements and the overturning of the Murderer and his murderous intent, the Liar and his lie.

We call for the mighty action of beloved Pallas Athena, beloved Goddess of Liberty, beloved Great Divine Director and Cyclopea, beloved Portia, beloved Nada, beloved Kuan Yin. We demand the action of the sacred fire, and we summon the Lords of Karma and the hosts of the LORD.

Mighty seraphim with beloved fiery salamanders, blue-lightning and violet-flame angels: *march* now—north, south, east, and west—across this nation's capital! *Burn* through to the very cause and core of all spy activities, all forces moving against the great Spirit of Freedom and against the God of Freedom to the earth and his emissaries in physical embodiment!

[†] CIA (Central Intelligence Agency), DIA (Defense Intelligence Agency)

Beloved Saint Germain and Portia, we *demand* the mighty insulating action of the sacred fire—from the heart of cosmos, from the heart of the Cosmic Christs—over the divine office and mantle of the president of the U.S.A., over the president, over all those who are members of the National Security Council, all of their aides and assistants, all those responsible for assembling information and facts vital to decisions being made in this hour.

Blaze forth the light of the all-seeing eye of God over this nation’s capital! We demand the right hand of Almighty God over the Capitol building now.

In the name of the Father, the Son, the Holy Spirit, and the Mother, we call to the seraphim and fiery salamanders to carry the mighty fervor of our heart, our Mighty I AM Presence, the entire Spirit of the Great White Brotherhood, the Fourteen Ascended Masters who govern the destiny of America to the people of America and the world.

Now come forth, O legions of seraphim, fiery salamanders, and angels of the seven rays, and burn through! Consume the cause and core of all hatred of America, all movement against this nation and, specifically, every plot and subterfuge, all that is known and unknown. *We *demand* the action of the sacred fire! (3x)

In the name of Jesus Christ, we demand that the Mighty I AM Presence and causal body, the light and Universal Christ of all Americans go into the cause and core of all plots against America and *bind those murderers by the hosts of the LORD! (3x)

We demand the action of cosmic justice from the heart of Portia, from the heart of her flame within my heart and in these hearts of Light. And we call forth the immediate intercession of the LORD God Almighty for the judgment of all those who move against America and the false hierarchy working through them! And to that end, we welcome the seraphim, fiery salamanders, and legions of Light from out the Great Central Sun!

[Song 399 “Beloved Oromasis and Diana”]

110.02 For the Tube of Light around Every Son of God and Representative of the People in America

Beloved Alpha and Omega, place your mighty Electronic Presence here upon this altar. Beloved Alpha and Omega, stand in the earth for the saving of America, as the I AM Race, and of the entire planetary body for the lightbearers. I *claim* the earth for Saint Germain, in the name I AM THAT I AM!

By the power of the light of God that never fails, in the name of our Father/Mother God, I invoke the mighty tube of light around everyone in this nation, every representative of the people, the National Security Council, all those who are a part of the decision-making regarding the defense of America.

I demand the action of the sacred fire from the heart of Alpha and Omega. I demand the sealing of every lightbearer, especially from harm of all espionage activities, psychotronic energy, all energies projected against the American people of a hypnotic nature that would lull them to sleep and allow them to be overcome and to be overtaken by forces of darkness.

I call upon the sacred fire, by the action of the Great Central Sun, for that mighty, invincible tube of light around every son of God, every lightbearer, and around all those individuals who represent the people by the authority of the threefold flame.

Let the Christ Presence descend. Let the mantle drop. Let the full power of the consciousness of the Godhead be upon our people.

Let there be the holding at bay and the binding of all who are the rebellious seed of the wicked. Let them be bound, and let the Christ Presence act in and through and around those individuals.

I demand the exposure now, by the full power of Cyclopea, of all that would hinder the right decision of our leaders by the hand of the Goddess of Liberty. I demand the full power from her torch of illumination and her Book of the Law, that—no matter what the blackmail, what the conditions, what the consequences—we must stand for Right and for the Christ consciousness, revealed by the Goddess of Truth and the Lords of Karma, and not be bullied or blackmailed into wrong

decision, putting us further and further out of alignment, tipping the axis of the planet, and bringing about world cataclysm and the destruction of this nation.

In the name of my Mighty I AM Presence, I demand the righting of the ship of state! I demand the righting of the ship of state by the full power of beloved Lord Maitreya. And I demand it begin now with the sealing of the mind, heart, soul, being, four lower bodies of all those who are a part of the I AM Race—and even those who are not—to insulate them now from the entire world momentum of Communism moving against them at conscious and subconscious levels.

Therefore, by our chakras, by the authority of Saint Germain and Portia, by the authority of this mantle and this office, we therefore do summon that tube of light for this sanctuary, everyone in it, for this city, for America, for the entire earth—especially protecting the earth from the Nephilim gods, their UFOs and spacecraft, and all manipulation of the forces of good and evil on this planet in this hour.

Thereto, in God’s name I AM THAT I AM, we decree.
[Decree 0.01 “Violet Fire and Tube of Light Decree”]

Forgiveness for Every Lightbearer Willing to 110.03 Make a True Sacrifice for Freedom for America

Beloved Mighty I AM Presence from the heart of the Great Central Sun, beloved Kuan Yin, beloved Portia and Lords of Karma, we call upon the law of forgiveness here and now for all wrong and injustice, discord, and inharmony that has ever transpired between ourselves and any other part of Life.

We demand the consuming of the cause and core of all conditions surrounding our chakras less than the pure white fire of Alpha and Omega, less than the pure disc of peace from the Elohim of Peace, of the Great Causal Body of the God Harmony.

We call now: *Seal! seal! seal!* these lightbearers! *Seal* every Keeper of the Flame! *Dissolve* now and transmute all residual misqualified substance! *Cast* it into the sacred fire and into the violet flame! Beloved Saint Germain, we would be your very

best instruments this weekend. We call upon Keepers of the Flame worldwide to join us now, at inner levels, from the level of their souls.

In the name I AM THAT I AM, I *cast* into the violet flame every wrong and hurt and injustice *now!* I *cast* it, in the name of every Keeper of the Flame, in the *name* of the silent and spoken Word of every soul gathered here, every lightbearer on earth who is willing to make a true sacrifice for freedom for America.

Blaze the violet flame, beloved Saint Germain!

Blaze the full power of the ruby ray!

Blaze the full power of the sacred fire from the heart of beloved Serapis Bey!

In the name of Jesus Christ, in the name and by the authority of our own Christed being, in the name of our very own soul, we surrender and sacrifice upon the altar of Liberty, upon the altar of America, every dissonance, disorder, and discord that may be lurking in the folds of our garments (chakras and auras), every irritation, every criticism, condemnation, and judgment.

Burn through, and let the Cosmic Christ consciousness so saturate our being and world now that all discord that is coming from without is dissolved on contact, and all that is from within is cast into the sacred fire and dissolved also by the full power of beloved Alpha and Omega.

In the name of the entire Spirit of the Great White Brotherhood, we decree.

[Decree 5.01 “Decree for Freedom’s Holy Light”]

110.04 Miracles of Saint Germain, Descend for the Saving of America and for the Defeat of World Communism!

Beloved Saint Germain, beloved Portia, forces of cosmic freedom from out the Great Central Sun, I call now upon legions of freedom throughout this galaxy and all others to assemble on planet Earth for the defeat of terrorism, of World Communism and all world totalitarian movements which have been in existence since the very coming of the Nephilim gods a half a million years ago and far longer.

We demand the mighty action of the sacred fire for a miracle of Almighty God, for the reduction of anti-freedom forces upon this planetary body. *Bind* the anti-freedom forces! *Bind* the anti-freedom forces! *Bind* the anti-freedom forces!

I call for a mighty miracle of Almighty God through the purple fiery heart of Saint Germain, from Alpha and Omega, Helios and Vesta, the Four and Twenty Elders, the Lords of Karma, beloved Saint Germain and Portia, and all hierarchies of Light in or on all worlds forever.

We demand the binding, therefore, of the anti-freedom forces in the laggard evolutions of Maldek, in the fallen angels and the Nephilim gods and their mechanization man, in the Watchers and their godless creation.

Blaze forth the light of ten thousand suns! (3x) *Burn* through! *Bind* them by the full power of the sacred fire!

I demand the miracle from the heart of Elohim for the turning of worlds. I demand the turning of the worlds. I demand the binding of the tares sown among the wheat by the Enemy. I demand the binding of the Enemy of the Light and his archdeceivers in the governments of all nations.

I call for the angels of the harvest, the mighty reapers of Almighty God. *Bind* those individuals now upon this planetary body who murder the children of the Light, who are the barbarians, the fallen ones whose evolution is from beneath and not above.

I call upon the Christed ones to descend over all lifestreams upon this planetary body. *Blaze* the light through! *Blaze* the light through! *Blaze* the light through!

Beloved Saint Germain, in *God's name* I AM THAT I AM, we demand a miracle this day in our city of Washington, through the president and all the counselors with him, and all advisers and members of the National Security Council!

We demand a miracle this day! We demand the turning back and the overturning of the malice, murders, and lies of all terrorists, known or unknown and all those who are aiding and abetting them and the cause of World Communism!

Burn through! *Burn* through! *Burn* through and bind the

dweller-on-the-threshold of the betrayers of the flame of freedom in America and the seed of Satan in the governments of Russia, the USA, the People's Republic of China, and all nations in this hour!

Miracles of Saint Germain, descend!—*miracles* of freedom for the saving of America and this world! I demand it, in the name of the Christ Self of every lightbearer and Keeper of the Flame on earth.

Descend, O Mighty Christ! And *act* now through the sons of God! In the name of the Goddess of Liberty, I AM the miracle of God!

[Decree 1.21 “I AM the Miracle of God”]

110.05 Bind False Hierarchy and Black Magicians Attempting to Influence Our Representatives in Government!

Beloved Mighty I AM Presence, *hear our call* and answer! LORD God Almighty, we are one in heart and mind and soul this day for the defense of freedom on planet Earth and for the defense of America.

We call to the entire Spirit of the Great White Brotherhood. *Place* your mighty Electronic Presence over us now! *Place* your Electronic Presence over this sanctuary, this teaching center, and every sanctuary so dedicated upon earth.

I *call* now upon the Keeper of the Flame, the Lord the Maha Chohan, as we are one in heart and mind and soul and commit our causal body, our Mighty I AM Presence and Christ Self, our own threefold flame, and every good momentum of our four lower bodies to the *defense* of America in this hour:

We, therefore, in God's holy name I AM—according to the promise of the Guru/Chela relationship and our protection under Almighty God—do challenge the fallen ones and the entire false hierarchy operating through the Nephilim gods, their spacecraft, and the plants of world totalitarian movements in America and in our government.

We *demand*, therefore, the binding and the challenging of the seed of Satan, the Satans, the seed of Lucifer and the fallen

ones worldwide. *Burn* through and bind specifically, now, the black magicians and the anti-Christ council attempting to use anyone in the government as a tool whenever they are able (even as they would deceive the very elect), and the entire false hierarchy gathered around them now, on astral and physical planes and from the bowels of death and hell. (*Even so, O LORD, bind the consciousness of death and hell and cast them into the lake of fire! 3x)

Almighty God, bind all betrayers of the Word attempting to work through the National Security Council or the State Department! *Burn* through! *Burn* through! *Burn* through, legions of Light, and dissolve all ignorance now!

We call upon Archangel Michael and hosts of the LORD. Blaze the power of the seven mighty archangels! *Blaze* the power of the mighty Elohim of God! *Blaze* the power of the Four and Twenty Elders! *Blaze* the power of the Mighty Blue Eagle from Sirius! *Bind* now every black magician attempting to influence the cabinet and National Security Council meetings!

Bind the Antichrist! *Bind* the Assyrian gods! *Bind* the Babylonian gods! *Bind* the Nephilim gods! *Bind* Peshu Alga and his consort! I *demand* their judgment now! *Bind* them and strip them of their power! *Strip* them now of that entire momentum of the false hierarchy and the momentum of the misuse of the light of the planets and the misuse of the cosmic astrology!

Burn through and bind those imprisoned elementals in demon forms and grotesque figures insulating and surrounding them and sealing, therefore, their karma-dodging tactics. *Burn* through! We demand the blood of the prophets be required of them this day.

Burn through and bind the entire false hierarchy! *Bind* the anchor points in embodiment, such as _____ (insert names) _____, and all other individuals within this government, known or unknown, seeking now a compromise or a nonchallenge of terrorist movements because they themselves are of that darkness.

Bind the murderers of Christ posing as sons of God! *Bind*, therefore, the psychotronic energies, Nephilim rays, spacecraft rays, every form of destructive ray! *Burn* through!

I call for the full power of Almighty God and his own annihilation ray to *annihilate, annihilate, annihilate* every force of death and Antichrist that would influence our leaders not to embody the full power of the Godhead and the Cosmic Christ.

Blaze the power of Lord Maitreya! *Blaze* the full power of The LORD Our Righteousness! I *demand* the descent of the living Christ Self and the Second Coming of Jesus Christ! *Blaze* the light of Jesus Christ! *Reinforce* now the sons of God! *Burn* through!

I call for the Electronic Presence of Jesus, Morya, Saint Germain, all mighty angels of the LORD, archangels, and Elohim of God around every individual deliberating the fate of America in Washington, D.C. *Burn* through! Let the mind of God descend.

Beloved Alpha and Omega, now *intensify, intensify, intensify* the mind of God! I demand cosmic justice and the God-solution and the power of the Lords of Karma, the Four and Twenty Elders, and Helios and Vesta.

Therefore, I demand the binding, the judging, and the casting out of the dweller-on-the-threshold—in the name of Sanat Kumara, Gautama Buddha, Lord Maitreya, Jesus Christ, Saint Germain, Morya, and Lanello—of all false-hierarchy members on the astral plane and their counterparts in physical embodiment, especially that false hierarchy now surrounding and attempting to influence everyone who is a representative of the government of the U.S.A.

Bind them, therefore, and *bind* the false hierarchy of Nephilim gods throughout this galaxy supporting the entire international network of terrorism.

Burn through! *Burn* through! *Bind* the false hierarchy! *Bind* their tools and implants! *Bind* their entire momentum of programming of mechanization man to do their bidding! *Bind*, therefore, that dweller-on-the-threshold!

Bind that entire momentum of the carnal mind elevated to the point of Christ. *Bind*, therefore, the planetary, interplanetary, and galactic Antichrist and its seed! *Bind* it, therefore, in the name of the living God!

In the name of the Goddess of Liberty, we *stand* and we *decree!*

Go to! *Go* to! *Go* to the State Department, the White House, the Oval Office. *Go* to now the place where the president, cabinet members, members of the Congress, the House and the Senate and the National Security Council and all those who are involved are gathered. *Go* to!

Bind those black magicians at inner levels! *Bind* those Nephilim gods on the astral plane! *Bind* all controlling forces!

Neutralize those rays from UFOs, outer space, inner space, and psychotronics! *Bind* then those fallen angels attempting to influence the hearts, minds, and souls of our representatives! *Bind* their programming! I call for the scrambling of their computers, and especially all forces working through [all governments seeking to move against America and world freedom].

Millions of angels and bands of the LORD’s host! *Blaze* the light of ten thousand suns! *Move* into action now! *Bind* every demon and discarnate of drugs, alcohol, marijuana, and every form of

degradation of the children of the light in this city! *Bind* all discarnates!

Bind the false hierarchy moving against the throat chakra of America! *Burn* through and bind those fallen angels who are the originators of evil, who stand in the halls of government, supposedly representing the people but representing them not—neither the people nor the Godhead. *Blaze* through and expose the Liar and the lie!

Beloved Saint Germain, I ask you this very day to march with your legions from this very center of light to the White House, to our nation's Capitol, and place your mark there—in the chambers of the Supreme Court, in the House of Representatives, in the Senate.

I demand the forcefield and the focus of Saint Germain in the White House, in every room of the Congress, and all offices of the House, and the Senate Office Buildings.

I demand the action of the sacred fire in the Old Executive Office Building, the State Department, and every other building housing the departments of the federal government, the U.S. Treasury, the Pentagon, the Supreme Court, and the Federal Reserve buildings.

Blaze the light through! (3x)

We call for the marching of the hosts of the LORD on Washington this day. We *demand* an explosion of liberty and light and freedom! *Blaze* the light through every street! *Blaze* the light through! I demand the liberation of the sons of God. *Expose*, therefore, the fallen angels and the laggards corrupting our nation and every nation on earth. Beloved Saint Germain, let terrorists' murder of innocent lifestreams now be an example to all people upon earth of their brutality, of their infamy, and of their evil and warlike nature. **Blaze* the light through! (3x)

Beloved legions of Light and hosts of the LORD, enter this city. *Bind* therefore every agent of international terrorism! *Bind* therefore all communists and their spies and their network and their electronic eavesdropping, phone tapping, blackmail, and every scheme, known or unknown, to subvert this government,

including the infiltration of the CIA, the FBI, the Pentagon, and every office of this government. *Blaze the light through! (3x)

We demand the binding of all infiltration in the White House, in the Capitol Building, in every area of service. *Burn* through! And we demand the exposure of their counterparts in this government. We demand the exposure of the Nephilim gods, the Watchers and their godless creation, the mechanization man, sleepers, and all who have sold their souls to the fallen ones. *Blaze the light through! (2x)

Let there be the prying open and the awareness, therefore, of the deadly intent of the fallen ones, and let them be exposed on all sides. Let the American people, the Russian people, and all people in the world see who are the fallen ones and who are the sons of God. *Blaze the light through! (3x)

Hail, Saint Germain! (10x)

El Morya, We Give You the Key to the City 110.17 and the Key to Our Hearts!

Beloved mighty legions of Light of Saint Germain, beloved Saint Germain and Portia, enter the White House now and saturate it with violet flame and the flame of justice. *Bind* all demons and discarnates, all treachery and intrigue moving against Mother Liberty and the flame of freedom of every Christed one!

Blaze through the White House! *Blaze* through all who gather there and come and go! *Blaze* through the members of the cabinet, the offices and families! *Blaze* through the National Security Council, all Congressional committees and elected and appointed representatives in the executive, legislative, and judicial branches of government! *Blaze* the light of God that

never fails!

Beloved Archangel Michael, beloved El Morya, we ask you to enter the White House now in preparation for all deliberations which are at hand. We welcome you, beloved El Morya, as the Chief of the Darjeeling Council of the Great White Brotherhood. We ask you to come forth now in the victory of the city.

Beloved El Morya, we give you the key to the city and the key to our hearts—the key to Washington, D.C., from the American people. We pray that many souls of Light may be tied to your heart by devotion to the will of God.

Beloved El Morya, teach us how to open the door for your own flame of God-mastery to awaken the hearts of this nation to the true freedom flame of Saint Germain. We welcome you, in the name of Alpha and Omega and in the name of Lanello.

Beloved El Morya, we ask you in God's name, *do something!*

110.18 El Morya, Enter the Hearts of All Members of the Government of the U.S.A.

Beloved El Morya, in the name I AM THAT I AM Sanat Kumara, by the authority of our own God flame and our position in physical embodiment and as chelas holding the mantle of the Guru Padma Sambhava, we command you, in the name of the Cosmic Christ, to enter now the hearts of all members of the government of the United States of America! Place your Electronic Presence there with my own—in the sons of God, and in those who are the betrayers.

I demand the will of God expand now from every living heart! I demand it be graced and intensified by the love of God and by the Cosmic Christ wisdom of Gautama Buddha.

Beloved Gautama Buddha, Lord of the World, we welcome you to this city. We are your devotees and the bearers of your lamp.

Beloved Gautama Buddha, deliberate with these individuals. I ask you to bring them to their highest point of God-realization and then to transcend that point and to manifest a divine decision that will be for the reversing of the tide, the turning of

the tide, in world events, that will have the wisdom of Solomon and his great causal body, the grace of the Almighty Father, that will truly expose the terrorists before the entire world body, curtail their activities upon this planet, stump them in the true fashion of Lord Shiva and his Shakti.

Beloved LORD God Almighty, we demand the absolute God-control of our leaders in this hour! We demand their God-realization and the exposure by Cyclopea of all malintent against America—past, present, and future—where it came from, where it is going, and the entire reasoning of the warped psychology of the minds behind it.

We *demand* the mighty sacred fire from Sanat Kumara! We turn this government over to beloved El Morya and all who are with him and above him, back to the heart of Sanat Kumara.

We are the citizens of the United States of America. We are the citizens of a cosmos, of the God Star. We are the children of the Sun. We command the destiny of this planet, in the name of Almighty God, and we demand in this hour, as never before, the mighty reapers to enter and bind the tares sown among the wheat, even in the consciousness of the good people, that those tares of wrong reasoning, misunderstanding, doubt and fear—all seeds sown by the fallen ones, especially genetic manipulation, preventing them from their heart tie to God—be bound and removed by these angels of living sacred fire.

Angels of Almighty God, you are equal to the task as God is equal to it, and you are his instruments. We summon you to save this planet! save this nation! Open the way for the divine plan of souls of Light! Let us be secure in the education we give our children, in their upbringing, in bringing in souls of Light, and in our families.

Expand our families! Expand our community, Almighty God! Beloved El Morya, in your name, and in the name of Mother Mary, before the throne of Alpha and Omega, I summon souls of Light from around the world to gather now and reinforce the Great White Brotherhood, the community of the Holy Spirit, and the Science of the Spoken Word in all of our centers.

Beloved Mother Mary and beloved Jesus, multiply this activity tenfold, for we are ready. Our centers are ready, the Royal Teton Ranch is ready, Glastonbury is ready, our publications are ready, and we are ready, O God, to minister to the sick, to the homeless, to the mighty, to the stalwart, to the courageous, to the freeborn, to all those in whom there burns a threefold flame who have not rebelled against the Godhead and turned their light to darkness. Send us the souls of Light, O God, that they might be free and we together might free this earth.

Therefore I demand the breaking down of the walls of condemnation and gossip, disinformation and calumny, and malice and destructive intent of the fallen ones who intend to wall us in by condemnation of our Light and Love, of our Person and our Presence and separate the Guru and the Chela in heaven and on earth.

We demand the overturning of every plot and ploy of the fallen ones to disrupt this activity and impair our service as we lay our life on the line for Saint Germain and for America.

Goddess of Liberty, by your mantle and flame, let there be such a dispensation that the international terrorists may be brought to their knees, and the people of Light and the true freedom-fighters in Afghanistan and the world might rise up and overthrow their oppressors. We stand with them, O God, and we send our love this day to every contact that we have in these nations, for truly they are the sons of Freedom!

In God's name, we salute you, El Morya. Without your Presence, I am nothing. With your love, I am become who I AM. [Song 206 "Hail to the Chief"]

Hail, El Morya! (4x)

110.19 For a Pillar of Blue Flame to Reinforce the Will of God in Our Nation's Capital

We call for a mighty pillar of blue flame reinforcing the tube of light, reinforcing the violet flame. We demand and command the will of God in this nation's capital! And we demand it transferred to every free nation on earth, to reinforce our decision so that all sanctions and decisions for the rebuke and punishment of the agents of terrorism shall be unanimous throughout the free world.

We demand that all those calls we have given this day be transferred by the legions of Mighty Victory and solar legions of Light from the Great Central Sun, to all representatives in the governments of the free nations, as well as all nations upon earth. Let a pillar of blue flame galvanize this entire planet into a new dimension of consciousness.

Almighty God, let not these fallen ones get away with another and another and another act of aggression against the lightbearers. We demand the action of the sacred fire, the exposure of the lie, and the absolute will of God!

We demand legions of seraphim with steely white swords—their flaming presence reinforce our own in that White House, in the Congress, in every office of the senators, in every office of the representatives of the people, in every office of the Supreme Court and all advisers, the State Department, the CIA, the FBI, the Old Executive Office Building, the cabinet, all executive departments, all relevant nongovernmental organizations, the Pentagon, midst the Joint Chiefs of Staff, and everywhere in this nation. In all who are influencing national and international policy, let there be the pillar of blue flame and the multiplication of the body of God by Jesus Christ' presence

in the hearts of all who bear a threefold flame.

Let this be a mighty crystal fire. Let it descend from the heart of Alpha. Let earth now be sealed in a pillar of blue-white crystal, reinforcing the will of God by freedom, by free will, by love, by wisdom, and by the absolute perception by the children of Light of the forces of light and the forces of darkness. In God's holy name, we decree. [Decree 10.03 "I AM God's Will"]

Let it be sealed now for the uses of Saint Germain and all ascended hosts of Light, for our beloved Father, beloved Alpha, and our beloved Mother, Omega.

Multiply these invocations and calls many times over for the liberation of the souls of planet Earth. To that end, we give the life of our hearts, O God.

Blaze the light of the judgment now of the fallen ones, the Antichrist, the seed of the Wicked One!

Bind the seed of Satan within and without our government, and see that they are *bound* this day in the name of the LORD God of hosts!

In the *name* of Sanat Kumara, *bind* now all interlopers, the Nephilim gods, the Watchers, and the fallen ones within the government preventing the exacting of the full measure now of the cup overflowing of terrorists' putting forth upon mankind of that which they have put forth. Let it be unto them this day. And let them know the meaning of the wormwood and the gall. And let them know the bitterness of their own fruits of the murder of the Manchild and the murder of the lightbearers.

Therefore let the blood of the holy innocents and of the prophets be upon them this day! Let their karma and their full karmic accountability be delivered to them by the Angels of the Judgment!

We demand the justice in this hour, and in God's name, we decree. [Decree 20.07 "They Shall Not Pass!"]

Angels of the Cosmic Cross of White Fire, 110.25 Gather Now at the White House

In the name I AM THAT I AM Sanat Kumara, Gautama Buddha, Lord Maitreya, Jesus Christ, Kuthumi, beloved Saint Germain and Portia, we summon friends of freedom from around the world on the etheric plane, the ascended-master octave, angelic hosts who are the friends of freedom, all in embodiment who are the friends of freedom.

Blaze the light of ten thousand suns! Increase the light of freedom this day, and let freedom's bells peal out a message of

victory in this hour. *Victory* unto Almighty God! *Victory* unto the Christ! *Victory* to Jesus Christ and Saint Germain!

In the name of Lanello, we *summon* now the march of the forces of freedom! Let there be a mighty, mighty gathering, O God.

And let there be an absolute mandate of the friends of freedom for right action on behalf of the people of Afghanistan, of Europe and Asia, of the nations of Africa and Central and South America. Let there be the flame of freedom that consumes all misuses of freedom, anti-freedom, and the Luciferian declaration of independence from Almighty God.

Blaze the light of the Great Causal Body of Saint Germain!
Blaze the light of the flame of justice!

In the name of Jesus Christ, we summon the angels of the cosmic cross of white fire. We call for the angels of the cross of the ruby ray. Let these angels now gather at the White House, summoned by Gabriel, Michael, Jophiel, Chamuel, Raphael, Uriel, Zadkiel, Uzziel.

Blaze the light of the seven archangels! *Blaze* the light of the cosmic cross of white fire! **Blaze* the light through! (3x)

Beloved Archangel Gabriel, stand perpetually with your mighty Electronic Presence over the White House and over the Capitol Building and over every individual member of our government. **Blaze* the light through! (3x)

Let there be the resurrection, therefore—some to everlasting life, some to everlasting contempt. And let those who awaken to the contempt of the LORD God, therefore, be *judged* this day! Let them be *bound* by the power of Elohim and the angelic hosts! Let them be stayed, O God.

I call for the right hand of Almighty God to stay the action of the seed of the Wicked One in America and in every nation on the earth this day.

In the name I AM THAT I AM, we call to the angels of the cosmic cross of white fire. *Take command! (3x)

[Song 306 “Angels of the Cosmic Cross of White Fire”]

Friends of Freedom, Stand Now with Saint Germain to Defeat International Terrorism 110.26

Beloved Mighty I AM Presence in the heart of the Great Central Sun, beloved Alpha and Omega, beloved Saint Germain and Portia, Zadkiel and Holy Amethyst, beloved mighty Arcturus and Victoria, we demand legions of violet-flame angels and the full power of the God of Freedom to the earth, beloved Saint Germain, to enter into the hearts of all leaders of the nations of the free world and those that are not free.

Blaze the full power of the Presence, the mighty Electronic Presence of the ascended master Saint Germain, upon these individuals, and let them turn their backs on motivations of greed and self-preservation, and let them rise and take a stand against all terrorists and their blasphemy against the holy ones of God on earth and their barbarism! I demand the judgment and the binding of the cause and core of evil in these individuals.

And I demand a ground swell of protest by friends of freedom worldwide for the defeat of the fallen ones without war, without a gun being fired, by the full-gathered momentum of light of all souls of Light upon earth, taking that stand for Light against those in the earth, under the earth, and above the earth seeking to control her through spacecraft and any other means.

We demand the action of the friends of freedom, saying:

Thus far and no farther! (4x)

In the name of the beloved mighty victorious Presence of God, I AM in me, my very own beloved Holy Christ Self, Holy Christ Self of all mankind, beloved Lanello, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life—fire, air, water, and earth! By and through the magnetic power of the sacred fire vested in me, I decree for the friends of freedom now to *stand* with the Fourteen Ascended Masters who govern the destiny of America, to *stand* with Uncle Sam, to *stand* with Saint Germain and Portia, to *stand* with The LORD Our Righteousness and the Cosmic Christ! We decree it, and we demand it in the holy name of God, I AM THAT I AM, Sanat Kumara. [Body of decree 7.22 “Friends of Freedom”]

110.27 For the Casting Out of the Dweller-on-the-Threshold of Peshu Alga and His Consort and All Nephilim Gods, Watchers, and Their Godless Creation

In the name of the Ancient of Days and the LORD God of hosts, in the name of beloved Saint Germain and Portia, in the name of the Lord Jesus Christ, Maitreya, Gautama Buddha, in the name of Sanat Kumara, by the authority of the love flame in our hearts, by the authority of our own Cosmic Christ illumination and the will of God, we, in full awareness of cosmic law and in our manifestation of love for the Almighty and for his living sons, do now surrender and demand the *binding* of the cause and core of the dweller-on-the-threshold on the four o'clock line—all stubbornness, human will, disobedience, and defiance of the law of God that has ever manifest!

Bind, therefore, that dweller-on-the-threshold within each one! *Bind* it in the lightbearers! And bind the human questioning and the human willing and the human deceit and the human mental malpractices of human reasoning, doubting and fearing, and separating from God, all perversions of the light of Christ and the flame of God-mastery.

Blaze the light through! *Bind*, therefore, that dweller-on-the-threshold on the two o'clock line! *Bind* that fallen one seeking to turn the children of the Sun out of the way! *Burn* through, therefore, and let the wings of the Fallen One be clipped within the subconscious of the children of the Light and the sons of God!

And therefore, by the authority of our decree and our surrender, we stand now in the presence of The LORD Our Righteousness, our own Christ Self, and we *demand* the binding, the judgment, and the casting out of the dweller-on-the-threshold of Peshu Alga and his consort, Anu, Enlil, Enki, and their consorts and all fallen gods, fallen ones, and rivalries in the infrastructure of world power politics and the Brotherhood of the Black Raven, all black magic and witchcraft upon this planetary body, especially that manifesting through international terrorist networks, the capitalist/communist conspiracy, and the international bankers holding hostage the

nations of the free world through their inordinate loans to Communist and other nations.

Blaze the light through! We demand the breaking of the back of that cycle of blackmail and the holding hostage of the children of the Light through the inordinate use of the supply of Almighty God.

We demand the cutting free of souls of Light, and we demand it be built now on the foundation of the divine economy and God-government in every nation. We therefore call to Almighty God for the *binding* and the judgment of the Watchers, the godless, the fallen ones—their lusting after the light and the abundance of Almighty God in the earth!

We demand the binding and judgment of mechanization man and the godless and the tyrants moving against the light and all infamies and acts of terrorism and barbarism against the United States of America and every nation on earth.

Blaze the light through into the Middle East! *Blaze* it through now into Beijing and Moscow! *Blaze* it into America and to the heart of the White House! *Blaze* the light through! *Bind*, therefore, that carnal mind and let God's will be done!

In the name I AM THAT I AM, in the very heart of the forces of freedom, in the name of the entire Spirit of the Great White Brotherhood, by the authority of the mantle upon me and the flame in my heart, I challenge now directly, in the name of my Mighty I AM Presence and Christ Self, Peshu Alga and his consort, the original betrayers of the Word, all fallen ones and fallen angels moving against the will of beloved Saint Germain on earth.

By the company of saints—as Above, so below—I *stand* in the earth, and I AM the mouthpiece of the living Word! And I *demand* that judgment now! And I *challenge* you by the authority of the momentum of the entire Spirit of the Great White Brotherhood, ascended and unascended!

We *stand* together in this hour! We are *one* heart, mind, and voice! We are the legions of the Faithful and True. We are the armies of Lord Maitreya. We are in the service of the mighty archangels. And we *challenge* the seed of the wicked in the

earth! We *challenge* the fallen ones, and we *demand* the *judgment* this day!

In the name of I AM THAT I AM, Sanat Kumara, Gautama Buddha, Lord Maitreya, Jesus Christ, I cast out the dweller-on-the-threshold of Peshu Alga and his consort, all Nephilim gods, Watchers, and their godless creation and mechanization man manipulating the international economy and upsetting the financial stability of the free world through the loans of the international bankers, the IMF,[†] the World Bank, et cetera, and the creation of money and credit by the Federal Reserve.

[Decree 20.09 “I Cast Out the Dweller-on-the-Threshold!”]

110.28 Cut Free the Children of the Light from Serpent and His Seed!

Beloved Mighty I AM Presence from the heart of God in the Great Central Sun, beloved ascended master Moses, Joshua, Jesus Christ, beloved Elijah and Elisha, beloved John the Baptist, beloved Micah, Angel of Unity, we demand the divine union as the banner of Light, rallying the seed of Sanat Kumara worldwide, calling them home to America.

We demand the cutting free of the lightbearers, the American taxpayers, who are bearing the yoke of the entire World Communist movement and of the international bankers and of the capitalists playing with their inventions and technology, their sacred labor and supply, and their abundance. We demand *bolts* of blue lightning from the heart of the mighty Elohim of God! *Overtorn* these fallen ones this hour!

Legions and *legions* and *legions* of Archangel Michael, mighty Astrea, cosmic hosts of the LORD: march now with your mighty sword of blue flame, your *mighty* circle and sword of blue flame! Come down now to every lightbearer on this planet. **Cut* them loose and set them free (3x) from all that’s not Christ-victory!

By the full power of the mighty sword of blue flame, cut our people free from the yoke, from the bondage, from being held hostage now to the Nephilim gods and from having to tread out

[†] IMF (International Monetary Fund)

and mete out that corn to pay the debts of the international fallen ones who have no loyalty to the seed of God or to the nation of the lightbearers or to the I AM Race.

We *demand* the cutting free this day! And in the name of Joshua, we say: Come apart now and be a separate people, elect unto God. Come *apart* and be that chosen people now. In the name I AM THAT I AM, Jesus Christ, *choose* you this day whom ye will serve!

I demand the full power of the mantle and momentum of Moses. *Choose* Life and not death, and live forevermore!

In the name I AM THAT I AM, let light descend with a clap of thunder and a shout of joy and the blue lightning from the heavens to cut free the children of the Light from Serpent and his seed.

In the name of the Father, the Son, the Holy Spirit, and the Mother, we decree.

Beloved mighty victorious Presence of God, I AM in me, O thou beloved immortal victorious threefold ‘flame of eternal truth within my heart, Holy Christ Self of all mankind, beloved Saint Germain, beloved El Morya, beloved Jesus, beloved Mother Mary, beloved great God Obedience, beloved Archangel Michael, beloved mighty Astrea, all ascended beings, powers, activities, and legions of Light, angels and activities of the sacred fire, beloved Lanello, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life—fire, air, water, and earth!

In the name of the Presence of God which I AM and through the magnetic power of the sacred fire vested in me, I decree for the cutting free now of all members of the I AM Race, all in whom there burns a threefold flame, all who are sent from Sanat Kumara and from above, all who have descended with the flaming presence of Christ.

Let them be cut free now from the yoke of the Nephilim gods, the Watchers, and their godless creation, the mechanization man—specifically, the international bankers and the beast, and the dragon that gave power to the beast, and the international capitalist/communist conspiracy upon them, the

manipulation of the abundant life, and their supply and, therefore, the blackmail of our leaders by the fallen ones who have them in this position.

We *demand* we be cut free from the entire international yoke of the manipulation of our supply and of the very substance of our sacred labor!

In *God's holy* name, we decree.

[Body of decree 6.02 “Summit Lighthouse Success and Expansion,” with verse 10]

Beloved Mighty I AM Presence in the heart of God in the Great Central Sun, let the mighty burst of joy of victory now expand through our hearts. *Lo*, I AM the open door of *victory* which no man can shut!

Lo, I AM the open door of Christ-victory which no man can shut! (7x)

In the holy name of all prophets and avatars, all sons of Light who have gone before us, let this day of light and victory be for the ratification of every other victory of freedom that has ever transpired on earth and beyond. And let us transcend ourselves, O world, and enter into a new cup of light, a new dimension, even as the LORD God does pour the energies of our hearts now into a new crystal cup molded after the design of the great Aquarian water-bearer, our own beloved Saint Germain.

Come forth, O Son of man, and live in our hearts!
In God's name, beloved Saint Germain, we sing to thy
